Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

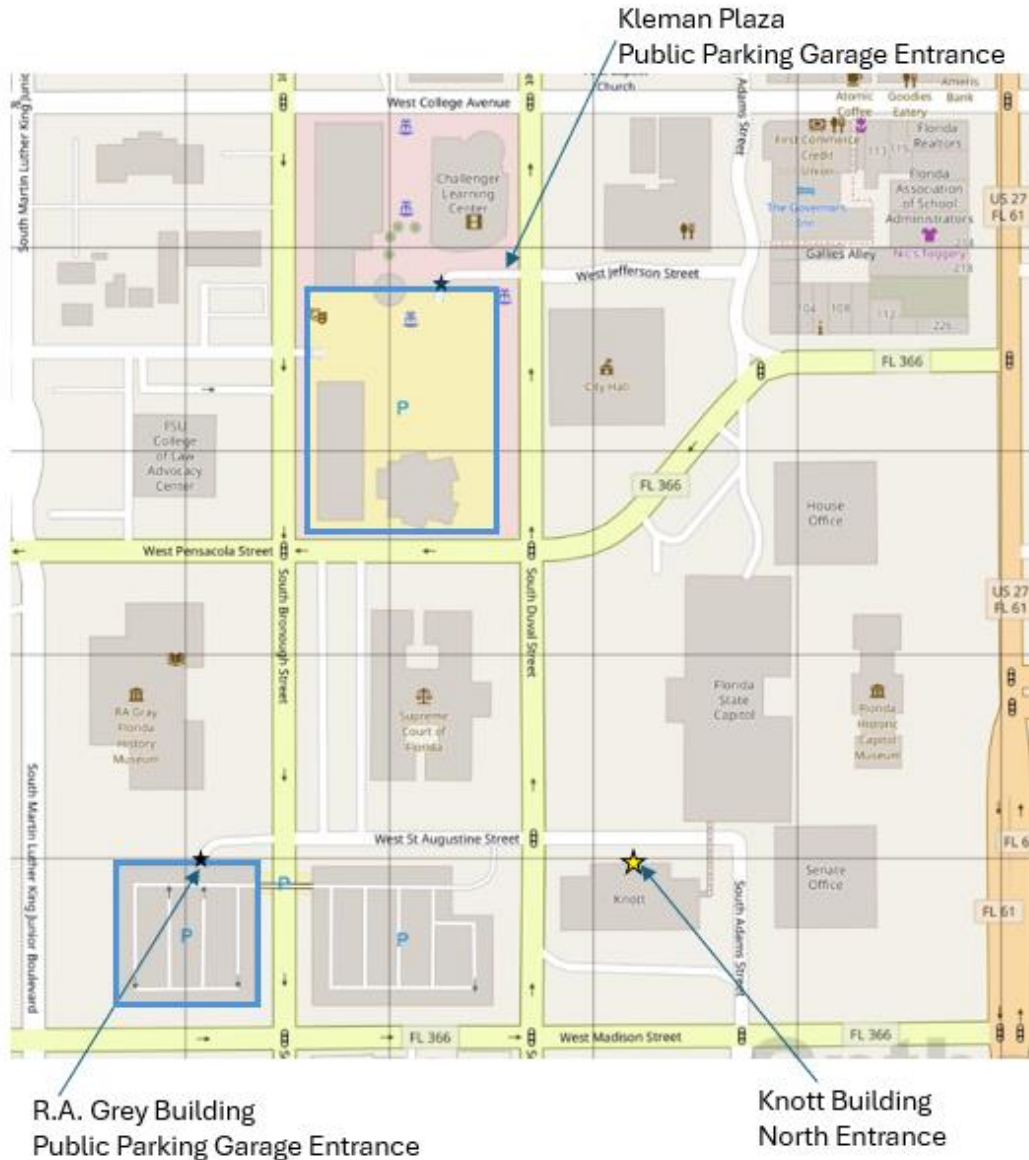

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

RE: Commission Case No.: FEC 24-029
Florida Association of Nurse Anesthesiology Political Committee

Dear Commissioners:

On behalf of the Florida Association of Nurse Anesthesiology Political Committee ("FANA PAC" or "PAC"), I thank you for the opportunity to provide an explanation of the events that resulted in the late filing of Special Election Report SG2 2023 STR 118. As noted by our legal counsel in prior submissions, we seek relief from the \$4000 fine imposed by the Division of Elections as the late filing was caused by unusual or other circumstances.

The FANA PAC is an active and engaged political committee associated with the Florida Association of Nurse Anesthesiology ("FANA"). Since its inception in November 2021, the PAC has utilized its contracted legal and lobbying partners to assist with certain aspects of PAC operations, including the tracking and reporting of campaign contributions. Since 2021, the PAC has had an established process in place for the tracking and reporting of contributions. Until the late filing at issue in this matter, the process worked well, and all reports were timely filed. As discussed below, following the late filing in December 2023, the PAC modified its processes to address the issues that caused the late filing of the special election report.

It has been the PAC's longstanding preference for FANA or FANA PAC members to attend fundraising events and/or directly deliver contribution checks to candidates. In some cases, however, it is not feasible for a FANA or FANA PAC member to do so, and in those instances FANA's primary lobbying firm, Capital City Consulting ("CCC"), distributes the contribution check on the PAC's behalf. Occasionally, the PAC does not have sufficient time to issue and mail the contribution check to CCC before a fundraising event and in anticipation of those occasions, CCC maintains a small number of FANA PAC checks to use for PAC-approved contributions. Under the PAC's processes that were in place in November-December 2023, any time CCC issued a PAC check, CCC was required to notify the PAC chairman, FANA's legal partner, Rutledge Ecenia, P.A.,

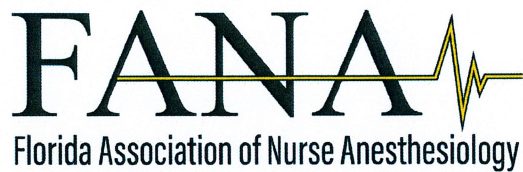

and Computare Partners, the compliance consultant that handles the filing of the PAC's contribution reports with the Department of State ("Department"). Under the PAC's policy, CCC was to provide notice as soon as practicable, and the notice was to include the check number, date, amount, and the recipient of the check.

On November 14, 2023, CCC issued a FANA PAC contribution check for Mike Redondo's campaign in the special election for HD 118. CCC did not, however, report the contribution to the PAC, Rutledge Ecenia, or Computare Partners until December 6, 2023, five days after the filing deadline. Since the FANA PAC approved the Redondo contribution in a special PAC meeting shortly before CCC issued the check, CCC mistakenly believed the above-referenced notice requirements were unnecessary. When CCC ultimately reported the contribution, CCC did not identify it as a special election contribution, which further delayed Computare Partners' filing of the campaign treasurer's report. As soon as the special election contribution was identified as such, Computare Partners filed the report with the Department. Between November 14, 2023-December 5, 2023, CCC issued twenty-three contribution checks on behalf of the PAC and the Redondo check was the only contribution that CCC did not timely report to FANA and its partners.

The FANA PAC has since performed an in-depth review of its tracking and reporting processes and has modified them in an effort to prevent miscommunications and late filings in the future. Among other things, modifications include limiting the number of checks CCC issues, requiring same day notification when CCC issues a check, requiring contributions that have an expedited reporting deadline to be identified as such, and expanding the parties to whom notification is made. The FANA PAC and its partners are monitoring this process and if there are any concerns with its efficacy, issuance of the checks will be transferred to Rutledge Ecenia. Given the FANA PAC's record of timely filing all required reports (other than the report at issue), we believe this was a unique occurrence and that the new processes will successfully address the issues that caused the late filing.

The FANA PAC appreciates the importance of maintaining transparency in contributions to political campaigns and would note that Representative Redondo reported the PAC's contribution on November 17, 2023, thus the contribution was publicly available well before the December 5 special election and the December 9 filing by the PAC.

We believe the above facts demonstrate unusual or other circumstances that support waiver or reduction of the \$4000 fine imposed against the FANA PAC and respectfully request the commission consider the following mitigating factors:

- This is the PAC's first late filing;
- Since its inception, the FANA PAC has had processes in place in an attempt to ensure compliance with reporting requirements;
- The FANA PAC considers the late filing a serious matter and has amended its processes to ensure timely filing moving forward;
- The PAC's contribution was publicly available prior to the December 5 election by virtue of Representative Redondo's November 17 filing; and
- The \$4000 fine is quite high relative to the violation itself, especially in light of the above facts.

Thank you for your consideration.

Sincerely,

Hi Ron and Scott,

Hope session is going well! I'm sure it's busy, busy!

We're having a bit of panic with the FANA PAC this week!

Attached please find a penalty letter we received for a late filing. Would like your feedback and direction on our best next steps. I have sticker shock!

As you may know, FANA outsources the PAC administration to Computare Partners. According to Computare Partners, it appears that CCC issued a check to Redondo for House (\$1,000) on November 15.

Unfortunately, Computare Partners was not informed that CCC issued this check until December 6.

The reporting deadline for this contribution, however, was December 1.

Please let us know your thoughts. We're not sure how best to proceed. This is our first PAC penalty.

Thanks,

Melanie
