NOTICE OF HEARING (AUTOMATIC FINE (AF))

A hearing will be held in this case before the Florida Elections Commission on, **August 13, 2024 at 1:00 p.m.**, *or as soon thereafter as the parties can be heard*, at the following location: **412 Knott Building, Pat Thomas Committee Room, 404 South Monroe Street, Tallahassee, Florida 32399**. Due to heightened security access requirements, please bring only essential items into the building and plan to arrive early to allow for delays coming through security.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

Tim Vaccaro

Executive Director
Florida Elections Commission
July 23, 2024

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

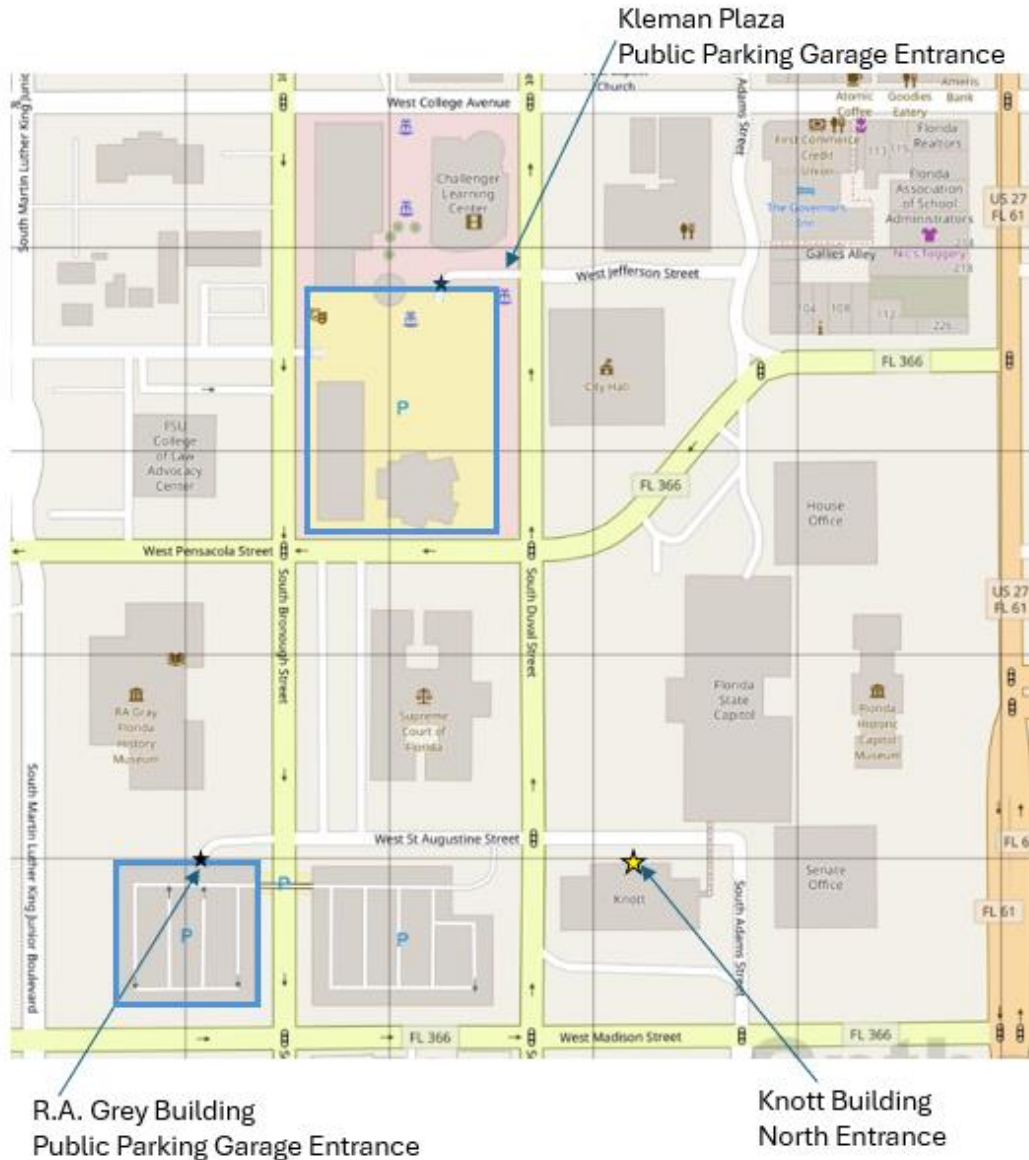

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

SUMMARY: Metro-Broward Firefighters Political Committee is a political committee (PC) registered with the State of Florida. The PC's chair and treasurer is Brian Powell.

The PC is appealing the fine claiming that the report was timely filed. According to Mr. Powell, the report was filed on July 5th and "subsequently amended on July 20th, 2022, to reflect a Multiple Uniform Contribution automatic bank transfer into the PC account" after a monthly audit. He notes that "MUC transfers into the PC are done automatically"; however, this transfer did not show as completed until after the first submission was made. He requests a waiver of the fine due to the circumstances.

- The 2022 P2 Original Report covers the period from 06/25/22-07/01/22; it was due on 07/08/22.
- The 2022 P2 Queued Transaction Report shows that it was created on 06/25/22 and filed on 07/05/22.¹
- Metro-Broward Firefighters Political Committee reported receiving 1 contribution while making zero expenditures.
- FEC staff was advised, "The committee filed a notice of no activity (waiver) on 07/05/22. A waiver is not a report. On 07/20/22, the committee filed a report showing \$6,488.00 of activity. The fine is based on 25% of the activity."
- The Division of Elections does not have any notes that pertain to Metro-Broward Firefighters Political Committee's 2022 P2 Report.

PRIOR CASES: FEC 1997-137 (AF: Fine Waived), FEC 1998-435 (AF: No UC, Fine Upheld)

¹ The filing discussed in this bullet refers to the waiver that reflected zero activity.

Re: Notice of imposition of fine

On Monday July 24th, I received the included letter regarding a PC report that was not filed. While researching the report based on the due date of July 8th, 2022, it appears that the report in question is report 2022-P2-372. I would like to appeal the imposition of fine pursuant to FAC rule 2B-1.005.

I have included, with the the notice of imposition of fine, 3 documents which I believe show that the report was actually filed on July 5th, 2022. The report was subsequently amended on July 20th, 2022 to reflect a Multiple Uniform Contribution automatic bank transfer into the PC account after performing our monthly audit of our accounts. Therefore, I am not requesting a hearing.

While these MUC transfers into the PC are done automatically, this particular transfer did not show as completed in our accounting software until after the report was actually filed on July 5th, 2022. Once the verification that the transfer did in fact take place, an amended report was immediately filed on July 20th, 2022. If the amended report is in question, in regard to the file date, then, alternatively, I believe the above explanation is applicable to waive the fine in accordance with FAC Rule 2B-1.0055.

The appealing party will be Brian Powell. My address is 8000 N University Dr., Tamarac, FL 33321. I may be reached by telephone at 954-783-1250

Sincerely,

Brian Powell, Chairman

<p>Re: audit repair continues 5/5/15- After consulting with Donna Brown, I called Mr. Powell back and told him he needed to find the receipt for the "Kinkos" purchase of the banner so that we could make an "Other Distribution Link" for this expenditure. He said he is working on locating the receipt. I recommended contacting his union and that the PAC and Union should be keeping records of their receipts. He said he has been working on tracking the transaction down today and will locate it as soon as possible. He asked what might be the repercussions if this is not fixed. I told him that the PAC could be referred to the FEC. Ejr</p>

<p>Re: Audit 5/5/15 I spoke with Bryan Powell, the new treasurer concerning an audit. It appeared that all the issues were corrected; but the 2014 G2A Expenditure #4 was a bit complicated. It concerned the PAC reimbursing the Union for a Banner, but the expenditure was made out to the Union's Visa. Stacy B. and I spoke with Bryan and explained that he would need to find the recipes for this transaction and that we would consult with our supervisor, Donna Brown, on how to handle this situation.
