Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

Executive Director
Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

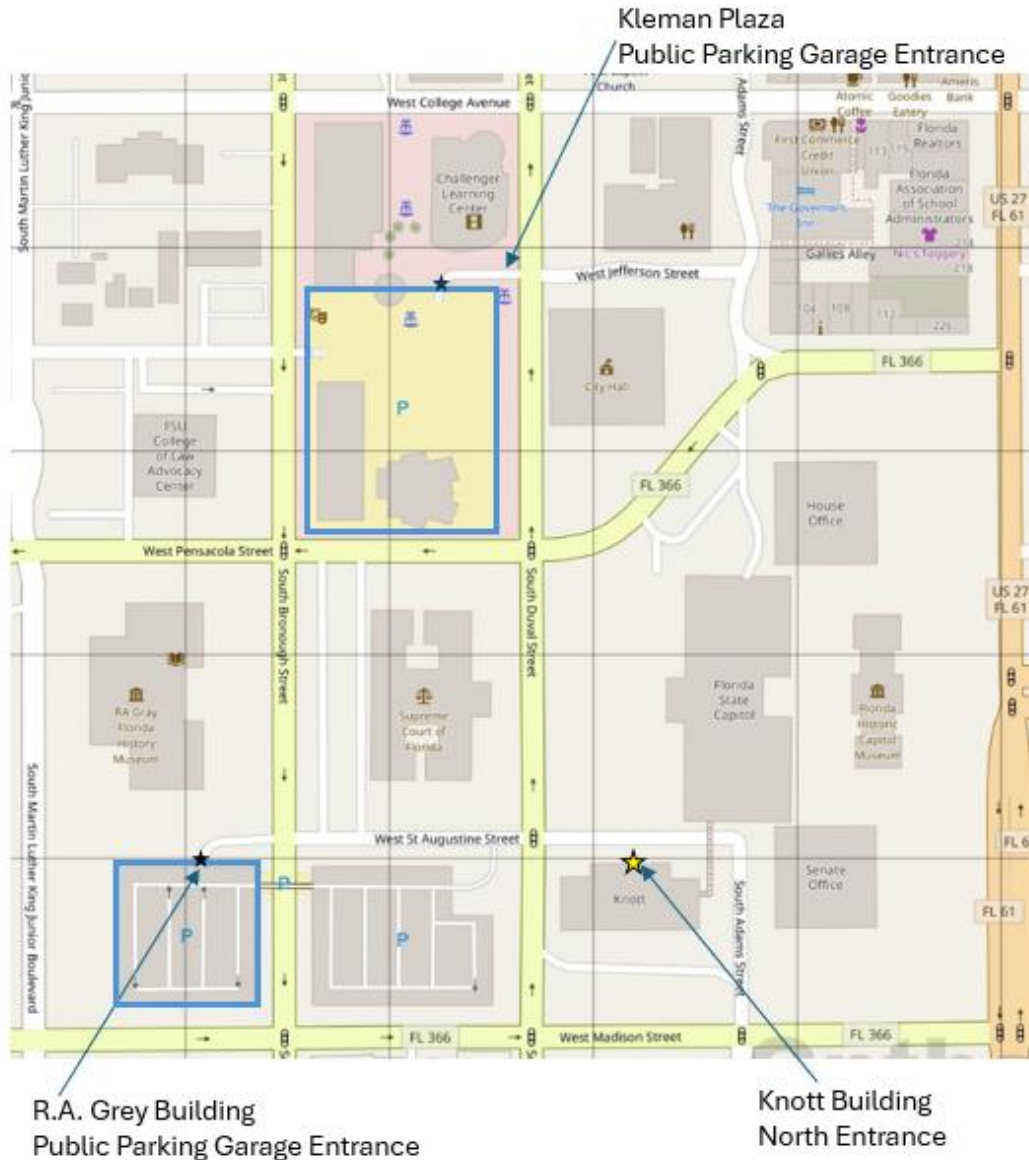

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

CONSENT FINAL ORDER

Jamaad M. Cesar-Batts (“Respondent”) and the Florida Elections Commission (“Commission”) agree that this Consent Order resolves all issues between the parties in this case. The parties jointly stipulate to the following facts, conclusions of law, and order:

FINDINGS OF FACT

1. On October 22, 2020, the Commission received two sworn complaints alleging that Respondent violated Florida’s election laws.
2. On February 23, 2024, the Commission entered an Order of Probable Cause finding there was probable cause to charge Respondent with two counts of violating Section 106.07(5), Florida Statutes, and one count of violating Section 106.143(1)(a), Florida Statutes.
3. The Commission dismissed the first count of Section 106.07(5) regarding the 2020 M1 Report after probable cause was found pursuant to Section 106.25(4)(j), Florida Statutes.
4. Respondent has expressed a desire to enter into negotiations directed toward reaching a consent agreement.
5. Respondent and the staff stipulate to the following facts:

a. Respondent was a candidate for Crescent City Commission, Group 3, in the 2020 election. Respondent was defeated.

b. Respondent certified that the campaign's 2020 M2 Report was true, correct, and complete when it was not.

c. Respondent did not report an in-kind contribution for a newspaper advertisement and two bank fees in the campaign's 2020 M2 Report. Respondent also incorrectly reported one contributor's name and two contributors' addresses.

d. Respondent paid for and displayed political advertisements, in the form of yard signs, that contained express advocacy but did not include proper disclaimers.

CONCLUSIONS OF LAW

6. The Commission has jurisdiction over the parties to and subject matter of this cause, pursuant to Section 106.26, Florida Statutes.

7. The Commission staff and Respondent stipulate that staff could prove all the facts in paragraph four above by clear and convincing evidence and to the Commission's ability to impose a civil penalty in the case.

ORDER

8. Respondent and the staff of the Commission have entered into this Consent Order freely and voluntarily.

9. Respondent shall bear his own attorney's fees and costs that are in any way associated with this case.

10. The Commission will consider this Consent Order at its next available meeting.

11. Respondent voluntarily waives confidentiality upon approval of the Consent Order by the Commission, the right to any further proceedings under Chapters 104, 106, and 120, Florida Statutes, and the right to appeal this Consent Order.

12. This Consent Order is enforceable under Sections 106.265 and 120.69, Florida Statutes. Respondent expressly waives any venue privileges and agrees that, if enforcement of this Consent Order is necessary, venue shall be in Leon County, Florida, and Respondent shall pay all fees and costs associated with enforcement.

13. Payment of the civil penalty by cashier's check, money order good for at least 120 days, or attorney trust account check, is a condition precedent to the Commission's consideration of this Consent Order.

PENALTY

WHEREFORE, based upon the foregoing facts and conclusions of law, the Commission finds that Respondent violated Sections 106.07(5) and 106.143(1)(a), Florida Statutes, and imposes a civil penalty in the amount of **\$500**.

Therefore, it is

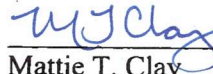

ORDERED that Respondent shall remit to the Commission a civil penalty in the amount of **\$500**, inclusive of fees and costs. The civil penalty shall be paid by cashier's check, money order good for at least 120 days, or attorney trust account check. The civil penalty should be made payable to the **Florida Elections Commission** and sent to **107 West Gaines Street, Collins Building, Suite 224, Tallahassee, Florida, 32399-6596**.

Case No.: FEC 20-488

Jamaad M. Cesar-Batts,

_____ /

ORDER OF PROBABLE CAUSE

THIS MATTER was heard by the Florida Elections Commission (“Commission”) at its regularly scheduled meeting on February 7, 2024, in Tallahassee, Florida.

On December 21, 2023, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff’s Recommendation are adopted by reference and incorporated herein. Based on the Complaint, Report of Investigation, Staff’s Recommendation, and oral statements (if any) made at the probable cause hearing, the Commission finds that there is **probable cause** to charge Respondent with the following violations:

Count 1:

On July 22, 2020, Jamaad M. Cesar-Batts violated Section 106.07(5), Florida Statutes, when he certified that the campaign’s 2020 M1 Report was true, correct, and complete when it was not.

Count 2:

On September 2, 2020, Jamaad M. Cesar-Batts violated Section 106.07(5), Florida Statutes, when he certified that the campaign’s 2020 M2 Report was true, correct, and complete when it was not.

Count 3:

On or about August 13, 2020, Jamaad M. Cesar-Batts violated Section 106.143(1)(a), Florida Statutes, when he paid for and displayed political advertisements, in the form of yard signs, that contained express advocacy but did not include proper disclaimers.

The Commission finds that there is **no probable cause** to charge Respondent with violating Section 106.19(1)(c), Florida Statutes.

The Commission finds that the public interest would not be served by proceeding further regarding Count 1, the alleged violation of Section 106.07(5), Florida Statutes, as to the 2020 M1 Report, because of the nature of the errors involved.

Therefore, it is **ORDERED** that Count 1, the alleged violation of Section 106.07(5), Florida Statutes, as to the 2020 M1 reporting period, is **DISMISSED** pursuant to Section 106.25(4)(j), Florida Statutes.

DONE AND ORDERED by the Florida Elections Commission on February 7, 2024.

The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to make written or oral arguments to the Commission concerning the legal issues related to the violation(s) and the potential fine. At the request of Respondent, the Commission will consider and determine willfulness at an informal hearing. Otherwise, live witness testimony is unnecessary.

Third, you may request a formal hearing held before an administrative law judge in the Division of Administrative Hearings (“DOAH”), if you dispute any material fact in the Staff Recommendation. You have thirty (30) days from the date the Order of Probable Cause is filed with the Commission to request such a hearing. The date this order was filed appears in the upper right-hand corner of the first page of the order. At the hearing, you will have the right to present evidence relevant to the violation(s) listed in this order, to cross-examine opposing witnesses, to impeach any witness, and to rebut the evidence presented against you.

If you do not elect to resolve the case by consent order or request a formal hearing at the DOAH or an informal hearing before the Commission within thirty (30) days of the date this Order of Probable Cause is filed with the Commission, the case will be sent to the Commission for a formal or informal hearing, depending on whether the facts are in dispute. The date this order was filed appears in the upper right-hand corner of the first page of the order.

To request a hearing, please send a written request to the Commission Clerk, Donna Ann Malphurs. Case No.: FEC 20-488

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the sworn complaints in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5) and 106.143(1)(a), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on April 4, 2023, the following facts and law support this staff recommendation:

1. On October 22, 2020, the Florida Elections Commission (“Commission”) received two sworn complaints from Tracy Eckhardt (“Complainant”) alleging that Jamaad M. Cesar-Batts (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a candidate for Crescent City Commission, Group 3, in the 2020 election. (ROI Exhibit 2, page 1; ROI Exhibit 3, page 1)¹ Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on July 8, 2020. (ROI Exhibit 2, page 1) Respondent was defeated. (ROI, page 1, ¶1; Attachment A, page 1)

3. By letter dated September 8, 2021, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(5), Florida Statutes: Respondent, a 2020 candidate for Crescent City Commission, Group 3, may have certified the 2020 M1 and 2020 M2 campaign treasurer reports were true, correct, and complete when they were not, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for Crescent City Commission, Group 3, may have falsely reported or deliberately failed to include information during the 2020 M1 and 2020 M2 reporting periods, required by Chapter 106, as alleged in the complaint.

Section 106.143(1)(a), Florida Statutes: Respondent, a 2020 candidate for Crescent City Commission, Group 3, paid for and distributed a political advertisement in the form of a newspaper

publication that contained express advocacy but did not include a proper disclaimer as alleged in the complaint.

Section 106.143(1)(a), Florida Statutes: Respondent, a 2020 candidate for Crescent City Commission, Group 3, paid for and distributed a political advertisement in the form of yard signs that contained express advocacy but did not include a proper disclaimer as alleged in the complaint.

4. On July 8, 2020, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing himself as treasurer for his campaign. (ROI Exhibit 1, page 1)

5. Respondent acknowledged on July 8, 2020, that he was provided access to read and understand the requirements of Chapter 106, Florida Statutes. (ROI Exhibit 2, page 1)

Alleged Violation: Section 106.07(5), Florida Statutes

6. Complainant alleged that Respondent violated Florida’s election laws by certifying that the campaign’s 2020 M1 and 2020 M2 Reports were true, correct, and complete when they were not by incorrectly reporting two contributors’ names and four contributors’ addresses.

7. Under Section 106.07, Florida Statutes, a campaign treasurer’s report is required to contain all contributions received and all expenditures made during the reporting period. The report must list the full name, address, and occupation of each contributor as well as the amount and date of each contribution.

8. The campaign’s 2020 M1 Report was filed on July 22, 2020, and covered the period from July 1, 2020, to July 31, 2020. (ROI Exhibit 4, page 1) Respondent reflected four in-kind contributions, two of which originated from Respondent, and no expenditures. (ROI Exhibit 4, pages 2-3)

9. Respondent’s bank records show one opening deposit totaling \$50.00 during the relevant reporting period, which was not reported. (ROI Exhibit 4, page 2; ROI Exhibit 10, pages 1 & 7)

10. Respondent acknowledged that he misspelled one contributor’s name by reporting “Gerard” instead of “Gerald” and acknowledged that two contributors’ addresses were incorrect. (ROI Exhibit 6, pages 1-2; ROI Exhibit 11, page 3)

11. As of December 8, 2023, Respondent has not corrected the 2020 M1 Report. (Attachment B, page 1)

12. Respondent certified that the campaign’s 2020 M1 Report was true, correct, and complete when it was not.

13. The campaign's 2020 M2 Report was filed on September 2, 2020, and covered the period from August 1, 2020, to August 31, 2020. (ROI Exhibit 5, page 1) Respondent reflected two in-kind contributions, one of which originated from Respondent, two additional contributions, and no expenditures. (ROI Exhibit 5, pages 2-3)

14. Respondent's bank records show two bank fees totaling \$9.95 during the relevant reporting period, which were not reported. (ROI Exhibit 5, page 3; ROI Exhibit 10, page 2)

15. Respondent acknowledged that he incorrectly reported one contributor's name as "Thomas Ricks" instead of "Rich Brooks" and acknowledged that two contributors' addresses were incorrect. (ROI Exhibit 6, page 1; ROI Exhibit 11, page 3)

16. As of December 8, 2023, Respondent has not corrected the 2020 M2 Report. (Attachment B, page 1)

17. Respondent certified that the campaign's 2020 M2 Report was true, correct, and complete when it was not.

Alleged Violation: Sections 106.07(5) and 106.143(1)(a), Florida Statutes

18. Complainant alleged that Respondent violated Florida's election laws by failing to include a proper disclaimer on a political advertisement, namely, a newspaper publication featuring a milk giveaway. Complainant further alleged that Respondent failed to report this advertisement as an expenditure or in-kind contribution.

19. Candidates are required to prominently mark their paid political advertisements with the exact political disclaimer language as set forth under Section 106.143(1)(a), Florida Statutes, i.e., "Political advertisement paid for and approved by (name of candidate), (party affiliation), for (office sought)" or "Paid by (name of candidate), (party affiliation), for (office sought)."

20. The unreported advertisement at issue is a picture in a local newspaper with Respondent standing in front of a milk truck. The advertisement states, "ELECT BATTIS Jamaad C. Batts for City Commissioner Crescent City Commissioner Group 3" and features a disclaimer stating, "Paid for and approved by Jamaad C. Batts, Nonpartisan, for Crescent City Commissioner Group 3." (ROI Exhibit 8, page 1) The newspaper advertisement, which is dated August 13, 2020, is not reflected in Respondent's campaign treasurer's reports. (ROI Exhibit 4, pages 2-3; ROI Exhibit 5, pages 2-3; ROI Exhibit 12, pages 2-3, 5-6, 8-9 & 11-12; Attachment B, page 1)

21. Respondent denied that the advertisement was his, stated that the milk giveaway was sponsored by a church, and asserted that a friend provided the advertisement to him in-kind. (ROI Exhibit 11, pages 1 & 3) Respondent provided pictures of political advertisements that he paid for and approved, which did not match the milk advertisement. (ROI Exhibit 6, pages 4-7)

22. It appears that Respondent did not pay for the newspaper advertisement; therefore, he was not responsible for the disclaimer language on the advertisement. However, because Respondent acknowledged that the advertisement was provided to him, Respondent was required

to report the advertisement in the campaign's 2020 M2 Report as an in-kind contribution but failed to do so. As previously established, Respondent certified that the campaign's 2020 M2 Report was true, correct, and complete when it was not.

Alleged Violation: Section 106.143(1)(a), Florida Statutes

23. Complainant alleged that Respondent violated Florida's election laws by failing to include a proper political disclaimer on his campaign yard signs.

24. The yard signs at issue state, "ELECT Jamaad C. Batts FOR City Commissioner." No disclaimer language is visible on the signs. (ROI Exhibit 8, pages 2-3)

25. Respondent provided a photograph of the yard sign with a handwritten disclaimer stating, "Advertisement Paid by Jamaad C. Batts for City Commissioner Group 3." (ROI Exhibit 6, page 5; ROI Exhibit 8, pages 2-3) Respondent provided additional pictures of political advertisements he paid for and approved, but all advertisements contained an incorrect political disclaimer. (ROI Exhibit 6, pages 4-7)

26. It is uncertain whether the handwritten disclaimer was added to the yard signs before or after the complaint. Even if the disclaimer was included prior to the complaint, the disclaimer language is incorrect. Therefore, Respondent paid for and displayed political advertisements that did not include a proper disclaimer.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

27. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, in one or more campaign treasurer's reports.

28. Respondent stated that his campaign was put together quickly. Respondent stated that he did not have access to Chapter 106, Florida Statutes, or the *Candidate and Campaign Treasurer Handbook*. Respondent had prior elections experience running for a special election. (ROI Exhibit 11, pages 1 & 3)

29. Insufficient evidence exists showing that Respondent deliberately failed to include required information in his campaign treasurer's reports.

30. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

31. The facts set forth above show that Respondent was 2020 candidate for Crescent City Commission, Group 3. Respondent certified that the campaign's 2020 M1 and 2020 M2

Reports were true, correct, and complete when they were not. Respondent paid for and displayed a political advertisement that did not include a proper disclaimer. It does not appear that Respondent falsely reported or deliberately failed to include information in the campaign's reports.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.19(1)(c), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

On July 22, 2020, Jamaad M. Cesar-Batts violated Section 106.07(5), Florida Statutes, when he certified that the campaign's 2020 M1 Report was true, correct, and complete when it was not.

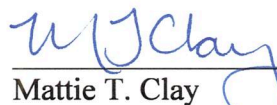

Count 2:

On September 2, 2020, Jamaad M. Cesar-Batts violated Section 106.07(5), Florida Statutes, when he certified that the campaign's 2020 M2 Report was true, correct, and complete when it was not.

Count 3:

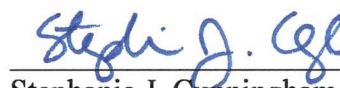

On or about August 13, 2020, Jamaad M. Cesar-Batts violated Section 106.143(1)(a), Florida Statutes, when he paid for and displayed political advertisements, in the form of yard signs, that contained express advocacy but did not include proper disclaimers.

Respectfully submitted on December 21, 2023.

**FLORIDA ELECTIONS COMMISSION
REPORT OF INVESTIGATION
Case No.: FEC 20-488**

Respondent: Jamaad M. Cesar-Batts

Counsel for Respondent: N/A

Complainant: Tracy Eckhardt

Counsel for Complainant: N/A

On October 22, 2020, the Florida Elections Commission (Commission) received a sworn complaint alleging that Respondent violated Chapters 104 or 106, Florida Statutes. Commission staff investigated whether Respondent violated the following statutes:

Section 106.07(5), Florida Statutes, may have certified one or more campaign treasurer's reports as true, correct, and complete when they were not;

Section 106.19(1)(c), Florida Statutes, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes; and

Sections 106.143(1)(a), Florida Statutes, may have paid for and distributed political advertisements that contained express advocacy but did not include a proper disclaimer.

I. Preliminary Information:

1. Respondent was a 2020 candidate for Crescent City Commission, Group 3; he was defeated in the general election held on November 3, 2020. Respondent was not a first-time candidate.

2. Respondent's filing officer was the City Clerk of the City of Crescent City.¹

3. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on July 8, 2020. Respondent was appointed as campaign treasurer. To review the DS-DE 9, refer to Exhibit 1.

4. Respondent filed a Statement of Candidate on July 8, 2020, in which Respondent certified he had been provided access to read and understand the requirements of Chapter 106, Florida Statutes. To review the Statement of Candidate, refer to Exhibit 2.

5. A Qualification Statement was signed by Respondent on August 4, 2020. The Qualification Statement acknowledged that Respondent was an active candidate for the election. To review the qualifying statement signed by Respondent, refer to Exhibit 3.

II. Alleged Violation of Sections 106.07(5) and 106.19(1)(c), Florida Statutes:

6. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer's reports were true, correct, and complete when they were not and by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, in one or more campaign treasurer's reports.

7. Specifically, Complainant alleged that Respondent incorrectly reported the names of two contributors, incorrectly reported the addresses of four contributors, and failed to report the cost of a

political advertisement in a local newspaper.

8. Respondent filed the 2020 M1 report on July 22, 2020. By filing the report, Respondent certified it was true, correct, and complete. Although titled “2020 M1,” the specified reporting period was July 1, 2020, through July 31, 2020.² The report included two in-kind contributions on July 22, 2020, both valued at \$100.00, one from Gerard Watson of 211 Prospect Street, Crescent City, FL 32112, and the other from Robert DeFranco of 122 Summit Street, Crescent City, FL 32112. Complainant alleged that Mr. Watson’s name could not be verified and that neither address existed. To review the 2020 M1 report, refer to Exhibit 4.

9. Respondent filed the 2020 M2 report on September 2, 2020. By filing the report, Respondent certified it was true, correct, and complete. Although titled “2020 M2,” the specified reporting period was August 1, 2020, through August 31, 2020. The report included a check contribution in the amount of \$100.00 on August 27, 2020, from Thomas Ricks of 152 Ricks Drive, Crescent City, FL 32112. The report also included an in-kind contribution on August 27, 2020, valued at \$100.00 from Robert DeFranco of 231 Prospects Street, Crescent City, FL 32112. Complainant alleged that Mr. Ricks’ name could not be verified and that neither address existed. To review the 2020 M2 report, refer to Exhibit 5.

10. In response to the complaint, Respondent acknowledged that Mr. Watson’s first name was mis-spelled; it is Gerald, not Gerard. Respondent further acknowledged that Mr. Ricks’ name was reported incorrectly; it should have been Rich Brooks. Respondent provided online contribution confirmation for \$100.00 from Gerald C. Watson³ on July 13, 2020. Respondent also acknowledged that the addresses at issue were reported incorrectly.⁴ He asserted that corrections would be made. However, there is no record of amended reports having been filed. To review the response, refer to Exhibit 6. To review Respondent’s filing history, refer to Exhibit 7.

11. Complainant provided a copy of an advertisement in the August 13, 2020, edition of the *Palatka Daily News*. It advertised a “Milk Giveaway” on August 15, 2020, and displayed a photo of Respondent standing in front of a milk truck. The advertisement also contained the phrase, “ELECT BATTIS Jamaad C. Batts for City Commissioner Crescent City Group 3.” It contained a disclaimer stating, “Paid for and approved by Jamaad C. Batts, Nonpartisan, for Crescent City Commissioner Group 3.” Complainant also attached screenshots of Respondent’s posts on social media promoting the event. Complainant alleged Respondent did not report the cost of this advertisement. To review a copy of the advertisement, refer to Exhibit 8, page 1. To review the social media posts, refer to Exhibit 9.

12. A review of Respondent’s 2020 M1 and 2020 M2 reports, which covered from July 1, 2020, through August 31, 2020, did not include an expenditure or in-kind contribution relative to the newspaper advertisement. To review the 2020 M1 and 2020 M2 reports, refer to Exhibits 4 and 5.

13. In response to the complaint, Respondent stated, “Since the Milk Give-Away was ultimately done by the church and NOT by Mr. Batts, it would be wrong to expense the cost of the ad as a campaign expense.” Respondent explained that he was advised by the Supervisor of Elections not to attend the event, which was sponsored by a church. Respondent stated that he did not attend the event. With his

² The report was filed on July 22, 2020, though it was noted to cover through July 31, 2020.

³ Although reported as being in-kind, the in-kind description for this \$100.00 contribution was listed as “cashapp,” so it appears to have been a “check” type contribution made via an online platform. However, I subpoenaed bank records from Respondent’s designated campaign depository, which was opened on July 3, 2020, upon deposit of \$50.00 in cash, and no record of the \$100.00 online contribution deposit was found. To review the bank records, refer to Exhibit 10.

⁴ Commission staff found through a search on www.usps.com that 122 N. Summit Street, Crescent City, FL 32212 is an actual address, but the other three addresses were not found on that website. Regardless, Respondent acknowledged in his response that none of the four contributor addresses at issue was correctly reported by stating that address corrections would be made.

response, Respondent provided a receipt dated August 5, 2020, related to payment for political advertisements, but the receipt was for customized signs, and the images of the signs ordered do not match the graphic on the newspaper advertisement at issue. The total amount paid is not completely visible on the receipt. Respondent identified the document as a receipt for signs that were printed and posted in yards, used at campaign events, and posted on social media. To review the response and receipt, refer to Exhibit 6.

14. I subpoenaed bank records from the designated campaign depository. The records do not show any expenditures for newspaper advertisements. Respondent's bank records do not show any activity except the initial \$50.00 cash deposit by Respondent, monthly bank fees, and withdrawal of \$40.00 on September 22, 2020. To review the bank records, refer to Exhibit 10.

15. In an interview with Respondent, he stated that the contributors whose names and/or addresses he reported incorrectly were well-known people from his town that "everyone knew" and understood where they were from. Respondent stated that the newspaper advertisement at issue was an in-kind contribution from someone in his community, and he did not pay for it. To review the phone log, refer to Exhibit 11.

III. Alleged Violation of 106.143(1)(a), Florida Statutes:

16. I investigated whether Respondent violated this section of the election laws by paying for and distributing political advertisements without a proper disclaimer.

17. Complainant attached images of the advertisements at issue. The first is the newspaper article referenced above at paragraph 11, which was printed in the August 13, 2020, edition of the *Palatka Daily News*. It advertised a "Milk Giveaway" on August 15, 2020, and displayed a photo of Respondent standing in front of a milk truck. The advertisement also contained the phrase, "ELECT BATTIS Jamaad C. Batts for City Commissioner Crescent City Group 3." It contained a disclaimer stating, "Paid for and approved by Jamaad C. Batts, Nonpartisan, for Crescent City Commissioner Group 3." To review a copy of the advertisement, refer to Exhibit 8, page 1.

18. A review of Respondent's 2020 M1 and 2020 M2 reports, which covered from July 1, 2020, through August 31, 2020, did not include an expenditure or in-kind contribution relative to the newspaper advertisement. To review the 2020 M1 and 2020 M2 reports, refer to Exhibits 4 and 5.

19. In response to the complaint, Respondent stated, "Since the Milk Give-Away was ultimately done by the church and NOT by Mr. Batts, it would be wrong to expense the cost of the ad as a campaign expense." In an interview, Respondent stated that the advertisement was provided to his campaign in-kind by someone in the community and asserted that he did not pay for it. To review the response, refer to Exhibit 6. To review the phone log, refer to Exhibit 11.

20. Complainant also provided two photos showing what appear to be three identical signs. The signs state, "ELECT Jamaad C. Batts FOR City Commissioner." Two of the photos are from a distance too great to see whether disclaimers were included, and the third is only a partial image of the sign. However, in response to the complaint, Respondent provided a clear, full photo of the sign shown in the photos. It contained a hand-written disclaimer stating, "Advertisement Paid by Jamaad C. Batts for City Commissioner Group 3." To review the sign photos provided with the complaint, refer to Exhibit 8, pages 2-3. To review the sign photo provided with the response, refer to Exhibit 6, page 5.

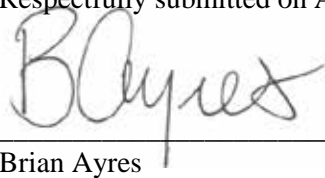

21. On the 2020 M1 report, Respondent disclosed an in-kind contribution from himself valued at \$300.00 for "yard signs" on July 25, 2020. On the 2020 M2 report, Respondent disclosed an in-kind contribution from himself valued at \$278.00 for "yard signs" on August 27, 2020. Respondent did not disclose any other expenditures or in-kind contributions relative to yard signs or advertisements in his subsequent campaign treasurer's reports. To review the 2020 M1 report, refer to Exhibit 4. To review the 2020 M2 report, refer to Exhibit 5. To review the 2020 M3, 2020 G1, 2020 G2, and 2020 TRG reports, refer to composite exhibit 12.

22. With his response, Respondent provided a receipt dated August 5, 2020, related to payment for political advertisements, but the receipt was for customized signs, and the images of the signs ordered do not match the newspaper advertisement or yard signs at issue in the complaint. The total amount paid is not completely visible on the receipt. Respondent identified the document as a receipt for signs that were printed and posted in yards, used at campaign events, and posted on social media. To review the response and receipt, refer to Exhibit 6.

23. I subpoenaed bank records from the designated campaign depository. The records do not show any expenditures for newspaper advertisements or yard signs. Respondent's bank records do not show any activity except the initial \$50.00 cash deposit by Respondent, monthly bank fees, and withdrawal of \$40.00 on September 22, 2020. To review the bank records, refer to Exhibit 10.

24. In an interview with Respondent, he indicated that his campaign was put together quickly, and he stated that he does not possess and has not read Chapter 106, Florida Statutes, or the *Candidate and Campaign Treasurer Handbook*. To review the phone log, refer to Exhibit 11.

Respectfully submitted on April 4, 2023.

To Whom It May Concern.

Case Number : Fec20-488

This letter is in response to the complaint filed by Tracy Eckhardt who is the lesbian partner of the candidate's opposition, Cynthia "Cindy" Burton.

In regard to violations 106.19 and 106.055

1. Cost of Milk Ad – see #2 below. Since the Milk Give-Away was ultimately done by the church and NOT by Mr. Batts, it would be wrong to expense the cost of the ad as a campaign expense.
2. The cost of the milk is irrelevant as the candidate was contacted by the Supervisor of Elections, Charles Overturf, and told that several members of his opposition candidate (Cynthia "Cindy" Burton) team and her lesbian partner, Tracy Eckhardt, had made an accusation that the milk was from a Covid-19 Grant. Although that was a lie that was precipitated by the opposition, it was advised that Mr. Batts should not do the Milk Give-Away as a campaign function. Mr. Overturf advised the candidate to NOT even be at the Milk Give-Away that was sponsored by the church. Jamaad Batts complied with the direction of the Supervisor of Elections. The church proceeded with the Milk Give-Away as planned, with members of the church and other volunteers. Mr. Batts was NOT even there. This was only AFTER the Cindy Burton campaign failed to get the event cancelled by complaining to the bank (whose parking lot was being used), that they should NOT allow the give-away of food during a pandemic (how ridiculous is that!). The bank refused to comply with their demand to cancel the event.
3. Jamaad Batts was not aware that there was a charge for receiving money from the cash app. He will investigate and, of course, file a correction to his monthly report.
4. In regard to fictitious names:
 - a) Jamaad made an error in identification of the supporter's name. He thought that it was Thomas Ricks, but the name should have been Rich Brooks. The candidate recalled seeing a sign with the name (that he THOUGHT was Ricks), but it was actually BROOKS. A photo of the sign is included. The candidate will, of course, file a correction.
 - b) The campaign treasurer misspelled Mr. Watson's first name by mistakenly typing an "R" instead of "L", so the name came out as Gerard instead of Gerald. This "typo" will be corrected.
5. In regard to fictitious addresses:
 - a) See 4.a above. Address correction will be made.
 - b) Address correction will be made.
 - c) Address correction will be made.
 - d) Address correction will be made.

In regard to violations 106.143, 106.071 and 106.1439

Attached please find the receipt with the picture of the campaign signs that were printed. These are the signs that are posted in yards, used in campaign events and posted on social media. The size of the sign was truncated on the social media site and the disclaimer does not fully show. The candidate will, of course, take any corrective action.

RE: Case No.: FEC 20-488; Respondent: Jamaad M. Cesar-Batts

Dear Mr. Cesar-Batts:

On October 22, 2020, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(5), Florida Statutes: Respondent, a 2020 candidate for Crescent City Commission, Group 3, may have certified the 2020 M1 and 2020 M2 campaign treasurer reports were true, correct, and complete when they were not, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for Crescent City Commission, Group 3, may have falsely reported or deliberately failed to include information during the 2020 M1 and 2020 M2 reporting periods, required by Chapter 106, as alleged in the complaint.

Section 106.143(1)(a), Florida Statutes: Respondent, a 2020 candidate for Crescent City Commission, Group 3, paid for and distributed a political advertisement in the form of a newspaper publication that contained express advocacy but did not include a proper disclaimer as alleged in the complaint.

Section 106.143(1)(a), Florida Statutes: Respondent, a 2020 candidate for Crescent City Commission, Group 3, paid for and distributed a political advertisement in the form of yard signs that contained express advocacy but did not include a proper disclaimer as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida

Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Brian Ayres**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Brian.Ayres@myfloridalegal.com.

Case Number : Fec20-488

This letter is in response to the complaint filed by Tracy Eckhardt who is the lesbian partner of the candidate's opposition, Cynthia "Cindy" Burton.

In regard to violations 106.19 and 106.055

1. Cost of Milk Ad – see #2 below. Since the Milk Give-Away was ultimately done by the church and NOT by Mr. Batts, it would be wrong to expense the cost of the ad as a campaign expense.
2. The cost of the milk is irrelevant as the candidate was contacted by the Supervisor of Elections, Charles Overturf, and told that several members of his opposition candidate (Cynthia "Cindy" Burton) team and her lesbian partner, Tracy Eckhardt, had made an accusation that the milk was from a Covid-19 Grant. Although that was a lie that was precipitated by the opposition, it was advised that Mr. Batts should not do the Milk Give-Away as a campaign function. Mr. Overturf advised the candidate to NOT even be at the Milk Give-Away that was sponsored by the church. Jamaad Batts complied with the direction of the Supervisor of Elections. The church proceeded with the Milk Give-Away as planned, with members of the church and other volunteers. Mr. Batts was NOT even there. This was only AFTER the Cindy Burton campaign failed to get the event cancelled by complaining to the bank (whose parking lot was being used), that they should NOT allow the give-away of food during a pandemic (how ridiculous is that!). The bank refused to comply with their demand to cancel the event.
3. Jamaad Batts was not aware that there was a charge for receiving money from the cash app. He will investigate and, of course, file a correction to his monthly report.
4. In regard to fictitious names:
 - a) Jamaad made an error in identification of the supporter's name. He thought that it was Thomas Ricks, but the name should have been Rich Brooks. The candidate recalled seeing a sign with the name (that he THOUGHT was Ricks), but it was actually BROOKS. A photo of the sign is included. The candidate will, of course, file a correction.
 - b) The campaign treasurer misspelled Mr. Watson's first name by mistakenly typing an "R" instead of "L", so the name came out as Gerard instead of Gerald. This "typo" will be corrected.
5. In regard to fictitious addresses:
 - a) See 4.a above. Address correction will be made.
 - b) Address correction will be made.
 - c) Address correction will be made.
 - d) Address correction will be made.

In regard to violations 106.143, 106.071 and 106.1439

Attached please find the receipt with the picture of the campaign signs that were printed. These are the signs that are posted in yards, used in campaign events and posted on social media. The size of the sign was truncated on the social media site and the disclaimer does not fully show. The candidate will, of course, take any corrective action.

Violated Florida Election Code 106.19, 106.055

1. He advertised a "Milk Giveaway" on August 13th in the Palatka Daily News. **The cost of this advertisement was not reported.** (Picture attached.)
2. He advertised a "Milk Giveaway" on four known social media outlets and the Palatka Daily News. **He failed to report the cost of the milk, whether it was purchased or contributed "in-kind".**
3. He reported receiving a cash app in the amount of \$100.00 on 7/22/20 but **did not report the fee as an expenditure that it cost for receiving this money.** (report attached)
4. Fictitious names reported on Treasurer's Report:
 - a. 8/27/20 – contribution from Thomas Ricks, Crescent City, FL, **name cannot be verified**
 - b. 7/22/20 – in kind contribution from Gerard Watson, Crescent City FL, **name cannot be verified**
5. Fictitious addresses reported on Treasurer's Report:
 - a. 8/27/20, 152 Ricks Drive, Crescent City, FL, **location does not exist**
 - b. 7/22/20, 122 Summit St., Crescent City, FL, **location does not exist**
 - c. 7/22/20, 211 Prospect St, Crescent City, FL, **location does not exist**
 - d. 8/27/20, 231 Prospect St., Crescent City, FL, **location does not exist**
(Treasurer's Report Attached)

I reported these mistakes to Charles Overture, Supervisor of Elections at his office on September 4, 2020, and again on September 30, 2020. He replied that it was "troubling information" but he couldn't do anything about it.

3. State whether the advertisement and the cost of production is paid for or provided in kind by or at the expense of the entity publishing, displaying, broadcasting, or circulating the political advertisement.

(d) Any political advertisement made pursuant to s. 106.021(3)(d) must prominently state the name and address of the political committee or political party paying for the advertisement.

(2) Political advertisements made as in-kind contributions from a political party must prominently state: “Paid political advertisement paid for in-kind by _(name of political party)_. Approved by _(name of person, party affiliation, and office sought in the political advertisement)_.”

(3) Any political advertisement of a candidate running for partisan office shall express the name of the political party of which the candidate is seeking nomination or is the nominee. If the candidate for partisan office is running as a candidate with no party affiliation, any political advertisement of the candidate must state that the candidate has no party affiliation. A political advertisement of a candidate running for nonpartisan office may not state the candidate’s political party affiliation. This section does not prohibit a political advertisement from stating the candidate’s partisan-related experience. A candidate for nonpartisan office is prohibited from campaigning based on party affiliation.

(4) It is unlawful for any candidate or person on behalf of a candidate to represent that any person or organization supports such candidate, unless the person or organization so represented has given specific approval in writing to the candidate to make such representation. However, this subsection does not apply to:

106.071 Independent expenditures; electioneering communications; reports; disclaimers.

(1) Each person who makes an independent expenditure with respect to any candidate or issue, and each individual who makes an expenditure for an electioneering communication which is not otherwise reported pursuant to this chapter, which expenditure, in the aggregate, is in the amount of \$5,000 or more, shall file periodic reports of such expenditures in the same manner, at the same time, subject to the same penalties, and with the same officer as a political committee supporting or opposing such candidate or issue. The report shall contain the full name and address of the person making the expenditure; the full name and address of each person to whom and for whom each such expenditure has been made; the amount, date, and purpose of each such expenditure; a description of the services or goods obtained by each such expenditure; the issue to which the expenditure relates; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made.

(2) Any political advertisement paid for by an independent expenditure shall prominently state "Paid political advertisement paid for by (Name and address of person paying for advertisement) independently of any (candidate or committee)."

(3) Subsection (2) does not apply to novelty items having a retail value of \$10 or less which support, but do not oppose, a candidate or issue.

(4) Any person who fails to include the disclaimer prescribed in subsection (2) in any political advertisement that is required to contain such disclaimer commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

History.—s. 47, ch. 77-175; s. 10, ch. 89-256; s. 4, ch. 2004-252; s. 25, ch. 2010-167; ss. 13, 30, ch. 2011-6; HJR 7105, 2011 Regular Session.

106.1437 Miscellaneous advertisements.—Any advertisement, other than a political advertisement, independent expenditure, or electioneering communication, on billboards, bumper stickers, radio, or television, or in a newspaper, a magazine, or a periodical, intended to influence public policy or the vote of a public official, shall clearly designate the sponsor of such advertisement by including a clearly readable statement of sponsorship. If the advertisement is broadcast on television, the advertisement shall also contain a verbal statement of sponsorship. This section does not apply to an editorial endorsement. For purposes of this chapter, an expenditure made for, or in furtherance of, a miscellaneous advertisement is not considered to be a contribution to or on behalf of a candidate, and does not constitute an independent expenditure. Such expenditures are not subject to the limitations applicable to independent expenditures.

History.—s. 36, ch. 90-315; s. 6, ch. 2004-252; s. 27, ch. 2010-167; ss. 18, 30, ch. 2011-6; s. 67, ch. 2011-40; HJR 7105, 2011 Regular Session.

106.1439 Electioneering communications; disclaimers.—

- (1) Any electioneering communication, other than a telephone call, shall prominently state: “Paid electioneering communication paid for by (Name and address of person paying for the communication).”
- (2) Any electioneering communication telephone call shall identify the persons or organizations sponsoring the call by stating either: “Paid for by (insert name of persons or organizations sponsoring the call).” or “Paid for on behalf of (insert name of persons or organizations authorizing call).” This subsection does not apply to any telephone call in which the individual making the call is not being paid and the individuals participating in the call know each other prior to the call.
