Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

_____ /

ORDER OF PROBABLE CAUSE

THIS MATTER was heard by the Florida Elections Commission (Commission) at its regularly scheduled meeting on February 7, 2024, in Tallahassee, Florida.

On or about September 4, 2020, Todd James Truax violated Section 106.07(5), Florida Statutes, when he certified that the campaign's

2020 G1 Report was true, correct, and complete when it was not.

Count 11:

On or about October 8, 2020, Todd James Truax violated Section 106.07(5), Florida Statutes, when he certified that the campaign's amended 2020 G1 Report was true, correct, and complete when it was not.

Count 12:

The Commission finds that there is **no probable cause** to charge Respondent with violating Sections 106.1405, and 106.19(1)(b), Florida Statutes.

The Commission also finds that as the expenditures to Harry Chapin Food Bank and Friendship Baptist Church were made for the purpose of disposing of campaign funds, albeit prematurely, it does not appear that the public interest would be served by proceeding further with regard to the alleged violations of Section 106.19(1)(d), Florida Statutes. Therefore, it is

ORDERED that the alleged violations of Section 106.19(1)(d), Florida Statutes, regarding the 2020 G7 reporting period are **DISMISSED** pursuant to Section 106.25(4)(j), Florida Statutes.

DONE AND ORDERED by the Florida Elections Commission on February 7, 2024.

19. Respondent's filing officer's records indicate that Cheryl Futch called Respondent's deputy treasurer, Carol Hedman, to let her know that the expenditures with listed purposes of "campaign expenses" needed to be more descriptive and that she would have to correct and refile the report by its due date. (ROI Exhibit 3, page 4)

25. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's reports were true, correct, and complete when they were not. More specifically, Complainant alleged that Respondent failed to accurately disclose the purposes for six expenditures that took place during the following reporting periods: 2019 M8, 2019 M9, 2019 M10, 2019 M12, and 2020 G7. *See* Compl., pp. 3-5.

26. Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period. Additionally, Section 106.07(4)(a), Florida Statutes, provides that each report must also contain the full name, address, and occupation or description of business, together with the amount and date of such contributions, and the full name and address to whom expenditures have been made along with the amount, date, and purpose for said expenditures.

27. On September 10, 2019, Respondent certified the campaign's 2019 M8 Report was true, correct, and complete. (ROI Exhibit 5, page 1) The report shows an expenditure to Calusa Waterkeepers for "community service." (ROI Exhibit 5, page 3)

28. On October 10, 2019, Respondent certified the campaign's 2019 M9 Report was true, correct, and complete. (ROI Exhibit 5, page 6) The report shows an expenditure to MADD TX for "adverti[s]ing." (ROI Exhibit 5, page 8)

29. On November 8, 2019, Respondent certified the campaign's 2019 M10 Report was true, correct, and complete. (ROI Exhibit 5, page 13) The report shows an expenditure to Nations Assn. Charities for "campaign expense - charity." (ROI Exhibit 5, page 15)

30. On January 6, 2020, Respondent certified the campaign's 2019 M12 Report was true, correct, and complete. (ROI Exhibit 5, page 22) The report shows an expenditure to Rights of Nature CA for "campaign expense." (ROI Exhibit 5, page 24)

31. On October 30, 2020, Respondent certified the campaign's 2020 G7 Report was true, correct, and complete. (ROI Exhibit 5, page 59) The report shows an expenditure to Harry Chapin Food Bank and an expenditure to Friendship Baptist Church for "contribution." (ROI Exhibit 5, page 61)

32. Respondent stated that the expenditure to Calusa Waterkeepers was for a community clean up event that he participated in, and that the expenditure to MADD TX was to participate in a 5K race where we wore his campaign shirt in order to advertise. He stated that the expenditure to Nations Assn. Charities was to support mentoring and education programs and that other expenditures were made to local charitable organizations supporting events, meetings, and breakfast/luncheon gatherings with local leaders. Respondent stated that the expenditures to the food bank and church were made to dispose of funds near the end of his campaign. (ROI Exhibit 8, page 2; ROI Exhibit 9, page 2)

33. The expenditures made to Calusa Waterkeepers for "community service," Nations Assn. Charities for "campaign expense – charity," and Rights of Nature CA for "campaign expense" are vague and result in a lack of transparency. The expenditure made to MADD TX for "adverti[s]ing" is sufficient. The expenditures made to Harry Chapin Food Bank and Friendship Baptist Church for "contribution" will not be considered as the letter finding legal sufficiency did not include a reference to the 2020 G7 reporting period.

34. Respondent certified that the campaign's 2019 M8, 2019 M10, and 2019 M12 reports were true, correct, and complete when they were not, as Respondent failed to accurately disclose the purpose for three expenditures.

Alleged Violation: Section 106.19(1)(d), Florida Statutes

35. Complainant alleged that Respondent violated Florida's election laws by making or authorizing expenditures prohibited by Chapter 106, Florida Statutes, with regard to six expenditures that took place during the following reporting periods: 2019 M8, 2019 M9, 2019 M10, 2019 M12, and 2020 G7. *See* Compl., pp. 3-5.

36. Complainant alleged that the expenditures made to Calusa Waterkeepers for "community service," MADD TX for "advertising," Nations Assn. Charities for "campaign expense – charity," Rights of Nature CA for "campaign expense," Harry Chapin Food Bank for "contribution," and Friendship Baptist Church for "contribution" were not made for the purpose of influencing the results of the election and therefore, were prohibited expenditures.

37. Respondent stated that the expenditure to Calusa Waterkeepers was for a community clean up event that he participated in, and that the expenditure to MADD TX was to participate in a 5K race where we wore his campaign shirt in order to advertise. He stated that the expenditure to Nations Assn. Charities was to support mentoring and education programs and that other expenditures were made to local charitable organizations supporting events, meetings, and breakfast/luncheon gatherings with local leaders. He stated that the donations to charitable organizations were not made in exchange for endorsement or support. Respondent stated that the

expenditures to the food bank and church were made to dispose of funds near the end of his campaign. (ROI Exhibit 8, page 2; ROI Exhibit 9, page 2)

38. Respondent provided a letter from Harry Chapin Food Bank of Southwest Florida thanking him for his gift of \$250. The letter indicated that the funds would be used to help feed the hungry. (ROI Exhibit 10, page 18)

39. Respondent's bank records show checks for the expenditures to Nations Assn. Charities for "Rev. Suarez Event & Collaboratory," Harry Chapin Food Bank for "Food for Distribution," and Friendship Baptist Church for "Good Works." The three checks were authorized prior to November of 2020. (ROI Exhibit 7, pages 19, 117, & 118) The records do not show check expenditures to Calusa Waterkeepers, MADD TX, or Rights of Nature CA. (ROI Exhibit 7)

40. Respondent was eliminated as a candidate during the 2020 General Election held on November 3, 2020. (ROI, p. 4, ¶19) Respondent was required to dispose of the funds on deposit in his campaign account within 90 days after being eliminated as a candidate. *See* §§106.141(1), 4(a), and 106.11(5), Fla. Stat.

41. There is insufficient evidence showing that the expenditures to Calusa Waterkeepers, MADD TX, and Rights of Nature CA were made with campaign funds. The expenditure to Nations Assn. Charities appears to be proper based on the memo line of the check and Respondent's explanation. *See* §106.08(5)(c)3., Fla. Stat. The expenditures to Harry Chapin Food Bank and Friendship Baptist Church were made for the purpose of disposing of campaign funds. The disposition of funds was premature as Respondent authorized the expenditures prior to being eliminated as a candidate. *See* §§106.141(1), 4(a), and 106.11(5), Fla. Stat.

42. Respondent made or authorized expenditures prohibited by Chapter 106, Florida Statutes, on two occasions. The prohibited expenditures took place during the 2020 G7 reporting period.

APPARENT DEFICIT BALANCE

Alleged Violation: Section 106.19(1)(d), Florida Statutes

43. Complainant alleged that Respondent violated Florida's election laws by making or authorizing expenditures prohibited by Chapter 106, Florida Statutes. More specifically, Complainant alleged that Respondent authorized expenditures without sufficient funds on deposit during the 2020 G2 reporting period. *See* Compl., p. 6.

44. Section 106.19(1)(d), Florida Statutes, prohibits candidates from making or authorizing expenditures in violation of Section 106.11(4), Florida Statutes. Section 106.11(4), Florida Statutes, prohibits candidates from authorizing expenditures or signing checks drawn on the campaign account without sufficient funds on deposit in the campaign account.

45. The 2020 G2 reporting period ran from August 29, 2020, through September 11, 2020. (ROI Exhibit 5, page 54) Respondent's bank records show that Respondent had sufficient funds on deposit during the relevant reporting period. (ROI Exhibit 6, pages 19 & 21)

46. It does not appear that Respondent made or authorized expenditures prohibited by Chapter 106, Florida Statutes, with regard to an apparent deficit during the 2020 G2 reporting period.

Alleged Violation: Section 106.07(5), Florida Statutes

47. Complainant alleged that Respondent violated Florida's election laws by certifying that the campaign's reports were true, correct, and complete when they were not based upon an apparent deficit during the 2020 G2 reporting period. *See* Compl., pp. 6-7. The reporting periods at issue begin with the 2020 G1 reporting period (from August 14, 2020) and end with the 2020 G2 reporting period (through September 11, 2020).

48. Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period. Additionally, Section 106.07(4)(a), Florida Statutes, provides that each report must also contain the full name, address, and occupation or description of business, together with the amount and date of such contributions, and the full name and address to whom expenditures have been made along with the amount, date, and purpose for said expenditures.

49. On September 4, 2020, Respondent certified the campaign's 2020 G1 Report was true, correct, and complete. (ROI Exhibit 5, page 47) The campaign's report was incorrect as Respondent disclosed eight expenditures totaling \$193.67 that were not supported by bank records. (ROI Exhibit 5, pages 49 & 50; ROI Exhibit 6, pages 18 & 19; *See* ROI, p. 7, Table 1)

50. On October 8, 2020, Respondent certified the campaign's amended 2020 G1 Report was true, correct, and complete. (ROI Exhibit 5, page 51) The campaign's amended report was incorrect as Respondent disclosed a contribution in the amount of \$15,000 that was not supported by bank records. (ROI Exhibit 5, page 52; ROI Exhibit 6, pages 18 & 19; *See* ROI, p. 7, Table 1)

51. On September 18, 2020, Respondent certified the campaign's 2020 G2 Report was true, correct, and complete. (ROI Exhibit 5, page 54) The campaign's report was incorrect as Respondent failed to disclose an expenditure in the amount of \$13.59, misreported a \$4 expenditure, and disclosed six expenditures totaling \$519.66 that were not supported by bank records. (ROI Exhibit 5, pages 55-58; ROI Exhibit 6, pages 18-21; *See* ROI, pp. 7 & 8, Table 1)

52. Respondent certified that the campaign's 2020 G1, amended 2020 G1, and 2020 G2 reports were true, correct, and complete when they were not.

Alleged Violation: Section 106.19(1)(b), Florida Statutes

53. Complainant alleged that Respondent violated Florida's election laws by failing to report contributions required to be reported by Chapter 106, Florida Statutes, based upon an

apparent deficit during the 2020 G2 reporting period. *See* Compl., pp. 6-7. The reporting periods at issue begin with the 2020 G1 reporting period (from August 14, 2020) and end with the 2020 G2 reporting period (through September 11, 2020).

54. A subpoena was issued to Respondent's designated campaign depository to ascertain whether any contributions were received during the relevant reporting periods which were not reported.

55. Commission staff's investigation did not uncover any unreported contributions during the relevant reporting periods. (ROI Exhibit 5, pages 47-58; ROI Exhibit 6, pages 18-21; *See* ROI, pp. 7 & 8, Table 1)

56. It does not appear that Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

57. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, based upon an apparent deficit during the 2020 G2 reporting period. *See* Compl., pp. 6-7. The reporting periods at issue begin with the 2020 G1 reporting period (from August 14, 2020) and end with the 2020 G2 reporting period (through September 11, 2020).

58. A subpoena was issued to Respondent's designated campaign depository to ascertain whether any contributions were received, or expenditures were made during the relevant reporting periods which were not reported or falsely reported.

59. An analysis of Respondent's 2020 G1 Report and relevant bank records shows that Respondent disclosed eight expenditures totaling \$193.67 that were not supported by bank records. (ROI Exhibit 5, pages 49 & 50; ROI Exhibit 6, pages 18 & 19; *See* ROI, p. 7, Table 1)

60. An analysis of Respondent's amended 2020 G1 Report and relevant bank records shows that Respondent disclosed a contribution in the amount of \$15,000 that was not supported by bank records. (ROI Exhibit 5, page 52; ROI Exhibit 6, pages 18 & 19; *See* ROI, p. 7, Table 1)

61. An analysis of Respondent's 2020 G2 Report and relevant bank records shows that Respondent failed to disclose an expenditure in the amount of \$13.59, misreported an expenditure in the amount of \$4, and disclosed six expenditures totaling \$519.66 that were not supported by bank records. (ROI Exhibit 5, pages 55-58; ROI Exhibit 6, pages 18-21; *See* ROI, pp. 7 & 8, Table 1)

62. Chapter 106, Florida Statutes, requires candidates to report any contributions received and any expenditures made for the purpose of influencing the results of an election.

63. Respondent falsely reported information required by Chapter 106, Florida Statutes, on the campaign's 2020 G1, amended 2020 G1, and 2020 G2 reports. Respondent deliberately

failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 G2 Report.

EDUCATIONAL EXPENSES

Alleged Violation: Section 106.1405, Florida Statutes

64. Complainant alleged that Respondent violated Florida's election laws by using funds on deposit in his campaign account to defray normal living expenses. More specifically, Complainant alleged that Respondent used campaign funds to pay for six educational expenses that benefitted him personally. *See* Compl., p. 3.

65. Respondent's 2020 M1 Report reflects three expenditures to FGCU for "tuition" and "university fees" totaling \$3,400.42, an expenditure to FGCU Bookstore in the amount of \$169.60 for "education," and an expenditure to Parchment Docs in the amount of \$3.50 for "transcripts." The expenditures to FGCU listed the address for Florida Gulf Coast University. (ROI Exhibit 5, page 28)

66. Respondent's 2020 G1 Report reflects an expenditure to Publix in the amount of \$2.67 for "education." (ROI Exhibit 5, page 49)

67. A subpoena was issued to Respondent's designated campaign depository. Respondent's bank records do not show any checks or debit transactions for the six expenditures at issue. (ROI Exhibit 6, page 6, 18 & 19) The bank records show cash withdrawals; however, none were in close proximity to the expenditures at issue. (ROI, p. 2, ¶8) It is unclear what funds were used to pay for the educational expenses.

68. Respondent's filing officer's records reflect that Tammy Lipa spoke with Respondent's deputy treasurer who inquired if Respondent could make campaign expenditures for three classes he was taking at FGCU. The deputy treasurer stated that the classes were to help Respondent be a better candidate/commissioner. Ms. Lipa stated that she could not answer the question as it was outside her purview. The records reflect that the deputy treasurer contacted Ms. Lipa on February 6, 2020, one month after the expenditures at issue were authorized. (ROI Exhibit 3, page 5)

69. Respondent stated that his campaign funds were not used for personal expenses. He stated that 80% of his campaign was self-funded and that the expenditures were attributable to courses in local government management, budgeting, human resources, and planning. He stated that the courses aided in his ability to prepare for office. (ROI Exhibit 8, page 2)

70. It does not appear that Respondent used funds on deposit in his campaign account to defray normal living expenses as there is no evidence that the educational expenses were paid through the campaign account.

Alleged Violation: Section 106.19(1)(d), Florida Statutes

71. Complainant alleged that Respondent violated Florida's election laws by making or authorizing expenditures prohibited by Chapter 106, Florida Statutes, with regard to educational expenses.

72. Based on the above analysis, it does not appear that Respondent used funds on deposit in his campaign account to defray normal living expenses as there is no evidence that the educational expenses were paid through the campaign account. Therefore, Respondent did not violate Section 106.19(1)(d), Florida Statutes, by making or authorizing expenditures prohibited by Chapter 106, Florida Statutes, with regard to educational expenses.

73. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

74. The facts set forth above show that Respondent was a 2020 candidate for Lee County Commissioner, District 3. Respondent certified that the campaign's 2019 M8, 2019 M10, 2019 M11, 2019 M12, 2020 M1, 2020 M2, 2020 M4, 2020 P1, 2020 P4, 2020 G1, amended 2020 G1, and 2020 G2 reports were true, correct, and complete when they were not. Respondent falsely reported information required by Chapter 106, Florida Statutes, on the campaign's 2020 G1, amended 2020 G1, and 2020 G2 reports. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 G2 Report. Respondent made or authorized expenditures prohibited by Chapter 106, Florida Statutes, on two occasions. The prohibited expenditures took place during the 2020 G7 reporting period.

75. It does not appear that Respondent made or authorized expenditures prohibited by Chapter 106, Florida Statutes, with regard to an apparent deficit during the 2020 G2 reporting period. It does not appear that Respondent failed to report contributions required to be reported by Chapter 106, Florida Statutes. It does not appear that Respondent used funds on deposit in his campaign account to defray normal living expenses as there is no evidence that the educational expenses were paid through the campaign account. Therefore, Respondent did not violate Section 106.19(1)(d), Florida Statutes, by making or authorizing expenditures prohibited by Chapter 106, Florida Statutes, with regard to educational expenses.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Sections 106.1405, and 106.19(1)(b), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes, a candidate certified campaign treasurer report(s) as true, correct, and complete when they were not, failed to report contribution(s) required to be reported by Chapter 106, F.S., and falsely reported or deliberately failed to include all information required by Chapter 106, F.S., in campaign treasurer report(s).

Respondent: Todd James Truax

Respondent’s Atty: N/A

Complainant: Terry Miller

Complaint Filed: February 1, 2021

Respondent Type: Candidate

Additional Section(s): 106.1405

I. Preliminary Information:

1. Respondent was a 2020 candidate for Lee County Commissioner, District 3; he was defeated in the general election held on November 3, 2020. Respondent was not a first-time candidate.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed with the Lee County Supervisor of Elections (SOE) on July 1, 2019. Respondent was appointed campaign treasurer. On August 20, 2019, a second DS-DE 9 was filed with the SOE appointing Carol Hedman deputy campaign treasurer. To review the DS-DE 9s, refer to Exhibit 1.

3. Respondent filed a Statement of Candidate with the SOE on July 1, 2019, in which Respondent certified he had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 2.

4. In an affidavit, SOE staff attested that Respondent was provided copies of Chapter 104 and 106, F.S., and the *Candidate and Campaign Treasurer Handbook* on August 20, 2019. SOE staff further asserted, “In addition, publications are available on our website lee.vote even though a hardcopy was provided to Mr. Truax on 07/01/2019.” With the affidavit, the SOE also provided their activity log memorializing discussions with Respondent and Ms. Hedman. To review the affidavit and activity log, refer to Exhibit 3.

5. On July 1, 2019, SOE staff sent an email to Respondent; the subject was “CANDIDATE ACKNOWLEDGEMENT.” In the email, Respondent was provided with log-in credentials for the Campaign Financial Reporting System (CFRS). SOE staff stated, “Each campaign treasurer’s report filed by means of the CFRS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 06.07(5), Florida Statutes.” SOE staff further stated, “It is your responsibility to read, understand, and follow the requirements of Florida’s election laws. Therefore, please access at <http://www.lee.vote>, the Candidates tab, select the Candidate Online Packet for the office sought and print a copy of the following documents: Chapters 104 and 106, Florida Statutes, *Candidate and Campaign Treasurer Handbook*, *Calendar of Reporting Dates*, and *The Election Laws of the State of Florida*.” To review the email, refer to Exhibit 4.

THIS SPACE INTENTIONALLY LEFT BLANK

II. Alleged Violation of Sections 106.1405 and 106.19(1)(d), Florida Statutes:

6. I investigated whether Respondent violated these sections of the election laws by using campaign funds on deposit in the campaign account for purposes other than those authorized by Section 106.1405, F.S., and making or authorizing one or more expenditure(s) prohibited by Chapter 106, Florida Statutes, based upon reported expenditures during the 2020 M1 and 2020 G1 reporting periods.

7. Specifically, Complainant listed the following six reported expenditures that allegedly amounted to using campaign funds to defray normal living expenses other than expenses actually incurred for transportation, meals, and lodging in the course of the campaign:

- \$169.60 to FGCU (Florida Gulf Coast University) Bookstore for “education” on January 3, 2020
- \$2,250.28 to FGCU for “tuition” on January 4, 2020
- \$1,120.14 to FGCU for “tuition” on January 7, 2020
- \$30.00 to FGCU for “university fees” on January 7, 2020
- \$3.50 to Parchment Docs for “transcripts” on January 7, 2020
- \$2.67 to Publix for “education” on August 20, 2020.

The first five expenditures were disclosed in the 2020 M1 report, and the sixth was disclosed in the 2020 G1 report. To review the 2020 M1 and 2020 G1 reports, refer to Exhibit 5, pages 25-28 and 47-53.

8. I subpoenaed bank records from the designated campaign depository. There were no records of the six expenditures at issue; no campaign account checks or debit items were paid to the order of these reported recipients.¹ There were several cash withdrawals during the campaign, including: \$50.00 on August 19, 2019; \$200.00 on February 5, 2020; \$200.00 on June 17, 2020; \$300.00 on October 7, 2020; \$100.00 on October 23, 2020; \$10,000.00² on November 9, 2020; \$264.44 on November 13, 2020; and \$1,025.00 on November 24, 2020 (closing withdrawal). None of the cash withdrawals was in close proximity to any of the reported expenditures. To review bank statements, refer to Exhibit 6. To review records of cash withdrawals, refer to Exhibit 6, pages 1, 7, 15, 23-25. To review deposit items, withdrawal items, and campaign account checks, refer to Exhibit 7.

9. According to the SOE’s activity log, Ms. Hedman phoned SOE staff on February 6, 2020, which was after the expenditures to FGCU were reportedly made and the same day the 2020 M1 report was filed. Ms. Hedman was noted to have asked if Respondent “could make a campaign expenditure for 3 classes he is taking at FGCU. She stated these classes are to help him be a better candidate/commissioner.” SOE staff answered by stating they could not answer that question as it was outside their purview. To review the activity log, refer to Exhibit 3, page 5.

10. In response to the complaint, Respondent stated “The allegations of use of funds to defray normal living expenses is laughable, in light of the fact, that 80% of my campaign was self-funded. The expenses of tuition, books and transcripts are attributed to my courses at FGCU in local government management, budgeting, human resources, and planning. These courses aided in my ability to prepare for the office I sought and debate local issues with proven solutions.” Respondent asserted, “At no time were campaign funds used for personal expenses.” To review the response, refer to Exhibit 8.

THIS SPACE INTENTIONALLY LEFT BLANK

¹ I requested documentation of the reported expenditures from FGCU, but FGCU staff replied by informing me such records were protected under the Family Educational Rights and Privacy Act of 1974.

² Complainant reportedly loaned himself over \$30,000.00 during the campaign. Refer to Exhibit 10, page 16.

11. However, Respondent asserted in a telephonic interview that he used campaign funds for the graduate certificate program to make him a better candidate and a better commissioner, if elected, but he had no explanation for the reported expenditure to Publix for “education.” Since I was unable to locate campaign expenditures among the bank records, I asked Respondent if he was certain that he used campaign checks. Respondent confirmed but noted he used much of his own money for expenditures.³ To review the pertinent part of the phone log, refer to Exhibit 9, page 3.

12. It is unclear what funds Respondent used to pay for these six reported expenditures related to educational costs, but there was no record of them occurring through the campaign depository. The 2020 M1 report disclosed the first five expenditures, and it has not been amended. The 2020 G1 report disclosed the sixth expenditure; this report was amended, but the expenditure at issue was not revised or removed. Respondent did not report receipt of any in-kind contributions from himself or anyone else during the entire campaign. To review Respondent’s filing history, refer to Exhibit 11.

III. Alleged Violation of Sections 106.07(5) and 106.19(1)(d), Florida Statutes:

13. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, and making or authorizing one or more expenditure(s) prohibited by Chapter 106, Florida Statutes, based upon reported expenditures during the following reporting period(s): 2019 M8, 2019 M9, 2019 M10, 2019 M12, and 2020 G7.

14. Specifically, Complainant took issue with the following six expenditures to “charitable organizations” and essentially alleged that based on the nature of the expenditure recipients and the stated expenditure purposes, they were not made for the purpose of influencing the results of the election:

- \$15.00 to Calusa Waterkeepers for “community service” on August 5, 2019 (2019 M8)
- \$80.00 to MADD TX for “advertising” on September 14, 2019 (2019 M9)
- \$50.00 to Nations Assn. Charities for “campaign expense - charity” on October 25, 2019 (2019 M10)
- \$23.50 to Rights of Nature CA for “campaign expense” on December 1, 2019 (2019 M12)
- \$250.00 to Harry Chapin Food Bank for “contribution” on October 23, 2020 (2020 G7)
- \$100.00 to Friendship Baptist Church for “contribution” on October 25, 2020 (2020 G7).

To review the reports on which these expenditures were disclosed, refer to Exhibit 5, pages 1-18, 22-24, and 59-62.

15. In response to the complaint, Respondent stated, “Charitable contributions were made to Mothers Against Drunk Driving which is headquartered in TX, but has local branches for events. The fee for participating in their annual 5K race where I wore my campaign T-shirt was classified as an advertising expense. The other donations were made to local charitable organizations supporting events, meetings, and breakfast and luncheon gatherings with local leaders. Donations to The Food Bank and Baptist Church were made in disposition of funds at the end of the campaign...Donations to charitable organizations were not in exchange for endorsement or support.” To review the response, refer to Exhibit 8.

THIS SPACE INTENTIONALLY LEFT BLANK

³ I requested that Respondent and his deputy campaign treasurer provide copies of documentation for these expenditures but neither provided such records. To review my emails, refer to Exhibit 10.

16. In a telephonic interview, Respondent explained that the Calusa Waterkeepers expenditure related to his participation at a “community cleanup event.” He explained that the expenditure to MADD TX was his entry fee for a 5K run in which he participated and wore a campaign shirt. Respondent indicated Nations Association Charities supports mentoring and educational programs in Florida. When I noted that donations to charities such as the expenditures to the Food Bank and Baptist Church are typically made during the termination reporting period, Respondent stated he was trying to get rid of money near the end of the campaign and did not realize these expenditures may have been improper at the time they were made. He asserted the expenditures were not made in exchange for political support. To review the pertinent part of the phone log, refer to Exhibit 9, page 2.

17. I requested that Respondent provide documentation regarding the six reported expenditures to demonstrate whether any had a campaign-related purpose. The only document he provided that included any detail about the purpose of any of the expenditures at issue was a letter from Henry Chapin Food Bank thanking him for his \$250.00 “gift,” which would be used to support their mission to feed the hungry. In his email attaching the Food Bank letter, Respondent referenced scanned “photos of events...and a brochure for a Calusa Water Keeper event I attended,” but none of these items were attached to his email. I noted in two separate emails to Respondent that I did not receive these other documents, but Respondent has still not provided them. To review my emails to Respondent and the Food Bank letter, refer to Exhibit 10.

18. I subpoenaed and reviewed records from the designated campaign depository. There was no record of the expenditures reportedly made to Calusa Waterkeepers, MADD TX, and Rights of Nature CA. There were several cash withdrawals during the campaign, but none in proximity to these three expenditures except \$50.00 on August 19, 2019. I located campaign account checks for the other three expenditures at issue. Check #1004 in the amount of \$50.00 to Nations Association Charities was dated October 25, 2019; “Rev. Suarez Event & Collaboratory” is written on the memo line of the check. Check #1044 in the amount of \$250.00 to Harry Chapin Food Bank was dated October 23, 2020; “Food For Distribution” was written on the memo line of the check. Check #1045 in the amount of \$100.00 to Friendship Baptist Church was dated October 25, 2020; “Good Works” was written on the memo line of the check. To review bank statements, refer to Exhibit 6. To review records of cash withdrawals, refer to Exhibit 6, pages 1, 7, 15, 23-25. To review deposit items, withdrawal items, and campaign account checks, refer to Exhibit 7. To review the three campaign checks, refer to Exhibit 7, pages 19 and 117-118.

19. Respondent was defeated in the general election held on November 3, 2020. All of these reported expenditures were made prior to that date. There was no record in the campaign depository for three of the reported expenditures, and though he explained these expenditures related to events at which he promoted his campaign, Respondent did not provide documentation showing there were campaign-related reasons for them. Respondent did not report receipt of any in-kind contributions from himself or anyone else during the entire campaign. The check to Nations Association Charities stated in its memo line that it related to an event, which aligns with Respondent’s explanation that some of these expenditures were for events. The checks to the Food Bank and Baptist Church appear to have been donations to those entities made prior to Respondent’s defeat in the general election.

IV. Alleged Violation of Section 106.07(5), Florida Statutes:

20. I investigated whether Respondent violated this section of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, based upon reported purposes of expenditures during the following reporting period(s): 2019 M8, 2019 M11, 2019 M12, 2020 M1, 2020 M2, 2020 M4, 2020 P1, 2020 P4, and 2020 G2.

21. Specifically, Complainant took issue with the stated purposes of the following 12 expenditures:

- \$112.50 to USPS for “promotional items” on August 5, 2019 (2019 M8)
- \$15.63 to Perkins for “advertising” on November 11, 2019 (2019 M11)
- \$37.00 to Metro Diner for “campaign expense” on December 17, 2019 (2019 M12)
- \$13.08 to The Mix Italian Grill for “advertising” on January 15, 2020 (2020 M1)
- \$16.87 to Cuban Bakery for “advertising” on January 28, 2020 (2020 M1)
- \$103.35 to Office Depot for “campaign expense” on February 24, 2020 (2020 M2)
- \$17.50 to Bonita Brunch for “advertising” on February 11, 2020 (2020 M2)
- \$39.00 to Jotform for “electronic document” on April 13, 2020 (2020 M4)
- \$6.38 to Mugs N Jugs for “advertising” on April 25, 2020 (2020 M4)
- \$40.25 to Cracker Barrel for “advertising – lunch” on June 12, 2020 (2020 P1)
- \$8.47 to Hudson’s Grocery for “advertising” on July 13, 2020 (2020 P4)
- \$24.46 to Ragged Ass Saloon for “coalition” on September 4, 2020 (2020 G2)

To review the reports on which these expenditures were disclosed, refer to Exhibit 5, pages 1-5, 19-46, and 54-58.

22. On May 11, 2020, SOE staff spoke with Respondent’s deputy campaign treasurer about adding more detail to expenditure purposes listed as “campaign expenses.” To review the activity log, refer to Exhibit 3, page 4.

23. In response to the complaint, Respondent stated, “Any entries in my campaign treasurer’s report which were incorrect were amended upon notice from the local office.” He also stated, “The complainant suggests I acted as my own campaign treasurer. In fact, Carol Hedman acted as my treasurer and submitted all receipts, and reports on my behalf. She amended reports working closely with the local supervisor of elections who guided her on the classification of expenses.” However, as noted above, Ms. Hedman was Respondent’s appointed deputy campaign treasurer, but Respondent was his own appointed campaign treasurer. To review the DS-DE 9s, refer to Exhibit 1. To review the response, refer to Exhibit 8.

24. In a telephonic interview, I reviewed each expenditure made to a restaurant or food service establishment, which included all but three of the expenditures at issue. Respondent explained the expenditures to restaurants were for “meet and greet” activities. Respondent stated the expenditures to USPS and Office Depot were for postage and postcards, respectively. He did not recall the expenditure to Jotform⁴ or why that expenditure was made. To review the pertinent part of the phone log, refer to Exhibit 9, pages 2-3.

25. I reviewed the bank records of the designated campaign depository. There was no record of expenditures by campaign account check or electronic debit for any of these reported expenditures except the \$103.35 expenditure to Office Depot on February 24, 2020. A “Pre-Authorized Payment” to Office Depot/Max in the amount of \$103.35 referencing check #1010 was dated February 25, 2020. Check #1010 in the amount of \$103.35 to Office Depot was dated February 24, 2020; “petition copies” was written on the memo line of the check. Bank statements show these checks were debited on February 26, 2020, and March 2, 2020. On April 2, 2020, an electronic/ACH credit for “office depot/max adjustment” in the amount of \$103.35 relative to check #1010 was credited to the campaign account. This suggests that Respondent issued two payment instruments for this expenditure, and one was refunded. To review the bank records, refer to Exhibits 6 and 7. To review records of the Office Depot expenditure, refer to Exhibit 6, pages 7-11, and Exhibit 7, pages 30 and 33.

⁴ Jotform is an online application that allows the user to create custom online forms.

26. There were several cash withdrawals during the campaign, some of which occurred in proximity to some of the other 11 expenditures at issue, including: \$50.00 on August 19, 2019; \$200.00 on February 5, 2020; and \$200.00 on June 17, 2020. Therefore, some of these expenditures might have been paid in cash. I requested that Respondent provide documentation clearly identifying the purpose for each of these expenditures, but he did not provide such documentation. Though he has filed amended reports for some of these reports, Respondent has not revised any of the expenditures at issue. To review record of cash withdrawals, refer to Exhibit 6, pages 1, 7, 15, 23-25. To review my emails to Respondent, refer to Exhibit 10. To review Respondent’s filing history, refer to Exhibit 11.

27. There was no record of 11 out of 12 of the expenditures at issue through the campaign account, though some of them could have been paid for in cash that was withdrawn from the campaign account. Respondent did not report receipt of any in-kind contributions from himself or anyone else during the entire campaign. Nine of the expenditures at issue were reportedly made to restaurants or food service establishments. The reported purpose for six of these was “advertising,” one was “advertising – lunch,” one was “campaign expense,” and one was “coalition.” However, Respondent explained that the purpose for expenditures to restaurants related to “meet and greet” activities. The reported purpose of the expenditure to USPS was “promotional items,” but Respondent explained it was for postage. The reported purpose of the expenditure to Office Depot was “campaign expense,” but the memo on the check indicated it related to petition copies. Respondent did not recall the purpose of the expenditure to Jotform, which was stated as being for “electronic document.”

V. Alleged Violation of Section 106.19(1)(d), Florida Statutes:

28. I investigated whether Respondent violated this section of the election laws by making or authorizing one or more expenditure(s) prohibited by Chapter 106, Florida Statutes. Specifically, Complainant essentially alleged that Respondent’s total reported contributions and expenditures to date showed an apparent deficit balance in the following reporting period(s): 2020 G2.

29. I reviewed bank records from the designated campaign depository covering the following reporting period(s): 2020 G1 and 2020 G2. There were no instance(s) during that timeframe in which the campaign account balance was negative. To review the applicable bank records, refer to Exhibit 6, pages 18-21.

VI. Alleged Violation of Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes:

30. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, failing to report one or more contribution(s), and falsely reporting or deliberately failing to include information in one or campaign treasurer report(s) due to an apparent deficit balance in the following reporting period(s): 2020 G2.

31. I reviewed bank records from the designated campaign depository and compared them with campaign treasurer report(s) covering the following reporting periods: 2020 G1 and 2020 G2.⁵ The results of my review are reflected in the table below. To review the campaign treasurer report(s), refer to Exhibit 5, pages 47-58. To review the applicable bank records, refer to Exhibits 6, pages 18-21, and Exhibit 7, pages 66-78. To review Respondent’s filing history, refer to Exhibit 11.

THIS SPACE INTENTIONALLY LEFT BLANK

⁵ The review was reflective of original reports filed and applicable bank records of deposits, debits, bank fees, and checks drawn on the campaign account, but it did not reflect activity associated with online contribution platforms where the investigation was unable to obtain records itemizing the sources of such contributions.

⁶ This loan was added to an amended 2020 G1 report filed on 10/8/20. Complainant specifically referenced the addition of this loan in his complaint narrative and noted that it was reported late.

<p>32. In response to the complaint, Respondent stated, “Any entries in my campaign treasurer’s report which were incorrect were amended upon notice from the local office.”⁷ He also stated, “The complainant suggests I acted as my own campaign treasurer. In fact, Carol Hedman acted as my treasurer and submitted all receipts, and reports on my behalf. She amended reports working closely with the local supervisor of elections who guided her on the classification of expenses.” However, as noted above, Ms. Hedman was Respondent’s appointed deputy campaign treasurer, but Respondent was his own appointed campaign treasurer. To review the DS-DE 9s, refer to Exhibit 1. To review the response, refer to Exhibit 8.</p>			
<p>33. On October 21, 2020, SOE staff spoke with Respondent, who “asked if his campaign account was ok and I told him it was no longer in the negative. He said that happened because he had forgotten to keep track of the personal funds he was using.” To review the activity log, refer to Exhibit 3, page 4.</p>			
<p>34. In a telephonic interview, I asked Respondent about \$15,000.00 loan reportedly received on August 18, 2020, which he added to an amended 2020 G1 report filed on October 8, 2020. This loan was not found in the bank records, but a \$10,000.00 loan deposited on September 16, 2020, was found in the bank records. Respondent stated he did not recall when the loan was made and had no explanation for the difference between the reported and deposited amounts, though he stated the loan was made from personal funds. To review the applicable bank records, refer to Exhibit 6, page 20, and Exhibit 7, pages 82-83. To review the pertinent part of the phone log, refer to Exhibit 9, page 3.</p>			
<p>SIGNATURE OF INVESTIGATOR: <u> <i>Helen Hinson</i> </u> Date: <u> November 8, 2023 </u></p>			

⁷ The 2020 G1 report was amended, but the only revision was addition of the \$15,000.00 loan referenced in Table 1. The 2020 G2 report has not been amended.

Event	Date	Description	Other Information
Conversation	2/12/2021	Logged by Cheryl Futch	Todd called because he said he received a letter from the Florida Election Commission (FEC) that a complaint had been filed against him by Terry Miller. I told him I had no knowledge of that action through the FEC as they had not contacted me. I asked him if he had called the FEC and he said he wanted to talk to someone he knew. I told him he would need to contact the FEC. He asked if he should get a lawyer and I told him that I could not advise him on what action to take. I also told him that even if the FEC had contacted me I would not be able to discuss the allegations against him.
Conversation	2/1/2021	Logged by Cheryl Futch	Called Carol to tell her that the Quality of Life expenditure needed to be a disposition of funds and that his report was off exactly \$2,000.00. In addition, that for him to balance his termination report s/b for \$11,767.76 if all his other reports were correct. I also reminded her that Todd's report was due by midnight tonight.

Conversation	10/21/2020	Logged by Cheryl Futch	Todd stopped by the office today and wanted to know if his ballot was received and I told him to check with the front desk for voter information. He asked if his campaign account was ok and I told him it was no longer in the negative. He said that happened because he had forgotten to keep track of the personal funds he was using. Again he asked if his account was ok and I said again I can only say it's no longer in the negative. Todd then said as far as you know it's ok? I told him as far as I know it's not in the negative, I told him I cannot comment on whether his account is completely ok because that is outside of my knowledge and purview. Todd then asked about placing campaign signs, I instructed him as to where the information for that issue was located on our website. In addition, I told him an email was sent about signs last week to his provided email address. After he left I sent him an email outlining this conversation and included three attachments on signs.
Conversation	9/18/2020	Logged by Tammy Lipa	Spoke with Carol. Advised her the 2 contributions for Todd were listed as checks instead of loans. She asked me to reject the report and she will re-submit right away.

Conversation	5/11/2020	Logged by Cheryl Futch	I called Carol and let her know that in expenditures, the purposes were listed as "campaign expenses". I told Carol it needed to be a description such as paper or campaign ad. She said she would make the corrections and refile the report by its due date of midnight tonight.

Conversation	8/16/2019	Logged by Tammy Lipa Mr. Truax dropped off a DSDE-9 today at the front desk (I was not called to review the document). There were several items on the form that I had questions. I phoned Mr. Truax and he will visit the office Mon or Tues to resolve issues.
Conversation	8/12/2019	Logged by Cheryl Futch Todd Truax and Carol Headman called and left a message, I called them back and they put me on speakerphone. They asked me what the name should be listed as Mr. Truax's PAC on the DE-DE 6 because he was wanted to add Mrs. Headman as his treasurer on his campaign account for County Commission. I told him he was filling out the wrong form he should be filling out a DE-DE 9. He and Mrs. Headman said that she was trying to send his report that is due today as it was on her computer for which I told them that we had already received his report today and that only Mr. Truax would be able to send reports until our office gets his amended DS-DE 9 adding Mrs. Headman as the treasurer, they both acknowledged they understood this.

RE: Case No.: FEC 21-051

Dear, Ms. Donovan,

Please accept this response to your notice I received Saturday, February 6, 2021. Your letter indicates a complaint filed by my opponent's campaign manager alleging violations of Florida election laws. The complainant suggests I acted as my own campaign treasurer. In fact, Carol Hedman acted as my treasurer and submitted all receipts, and reports on my behalf. She amended reports working closely with the local supervisor of elections who guided her on the classification of expenses.

The allegations of use of funds to defray normal living expenses is laughable, in light of the fact, that 80% of my campaign was self-funded. The expenses of tuition, books and transcripts are attributed to my courses at FGCU in local government management, budgeting, human resources and planning. These courses aided in my ability to prepare for the office I sought and debate local issues with proven solutions.

Charitable contributions were made to Mothers Against Drunk Driving which is headquartered in TX, but has local branches for events. The fee for participating in their annual 5K race where I wore my campaign T-Shirt was classified as an advertising expense. The other donations were made to local charitable organizations supporting events, meetings, and breakfast and luncheon gatherings with local leaders. Donations to The Food Bank and Baptist Church were made in disposition of funds at the end of the campaign.

At no time were campaign funds used for personal expenses. Donations to charitable organizations were not in exchange for endorsement or support. Any entries in my campaign treasurer's report which were incorrect were amended upon notice from the local office.

All the best,

Todd Truax

Name: Todd James Truax
Phone #: 239-994-6872
Summary: I called Respondent, identified myself, explained that I've called and sent emails to him before regarding this case. Respondent asked which email address(es) I used to reach him; I noted I used both email addresses he provided during his campaign including the email address he identified on the DS-DE 9, and the email address he used to respond to notice of the complaint. He said he doesn't use the campaign email with his home address, doverstone26478@gmail.com, nor does he regularly check the email address todd@toddtruax.com. He noted he currently has about 300 emails he needs to check. Respondent said he works as a nursing home administrator and stays 2.5 hrs. away from home & drives home on weekends to his family & to do laundry. I explained that we had a

Commission meeting earlier this week, on Tuesday, August 16, 2022; he may review the Commission meetings online on the Florida Channel as the public session(s) are recorded; earlier Commission meetings are available in the Florida Channel archive for viewing; he will see the Commissioners discussing cases before them in informal hearings and making decisions in cases, imposing fines/civil penalties, etc., so he may better understand how the Commission conducts the hearing of a case. I noted the confidential hearings for NPC/PC determinations are not available for review on the Florida Channel.

Respondent asked if we received his earlier response; I confirmed we did, however, he didn't adequately address all the specific issues I am investigating as identified in Mr. Vaccaro's LS letter dated December 16, 2021. I reviewed same with him. Respondent asked if it helps his cause since he self-funded about 80% of his campaign, about \$50,000; I said I am unable to advise him as I am not an attorney; however, he should provide any information he deems relevant to the current issues I'm investigating. Respondent said Complainant filed the complaint after his opponent for whom Complainant was campaign manager had defeated him and he feels he's been kicked after he's knocked down. I noted most complaints are politically motivated but must allege violations that are reviewed by staff and determined to be LS by Mr. Vaccaro before a case is investigated; Respondent confirmed he has mailings from this office (he also confirmed receipt of notice of complaint from Molly Donovan) and I referred him to our E.D.'s LS ltr dated December 16, 2021, which identifies the sections of law I am investigating and I am identified as the investigator. Respondent said his campaign treasurer (Carol Hedman is in her late 80s) had a stroke and perhaps her husband can access her computer to obtain additional information he needs to respond. Respondent said he ran for Congress in 2018, Ms. Hedman was his treasurer for that election campaign, there were no issues with his CTRs at that time, and he saw no reason to not accept her services as treasurer during his 2020 election campaign.

I reviewed the charities/non-profits at issue with Respondent and requested copies of flyers, photographs of his participation in events, thank-you notes from the charities, etc., to identify the charity and/or verify his participation; Respondent said all that information about the charities, related events and his participation were posted on his campaign Facebook, Twitter, etc., accounts. He said he just found the Calusa Waterkeepers (environmental group) flier on his desk as he was talking to me, he explained it was a community cleanup event for the Calusa River in which he participated and he will look for additional information as he kept all receipts, etc.; I agreed to forward my most recent email indicating the specific charities/non-profits, vendors, restaurants, etc., that are identified in his CTRs that are at issue in my investigation which I did while on the phone. Respondent said the expenditure to MADD TX was an entry fee for a 5K run where he participated and wore a campaign t-shirt; Nations Association Charities to support mentoring and educational programs—charity in SW Florida. I suggested the donations to the food bank and Church should have been made in the 90-day reporting period after the election identified as the TR; he said he was trying to get rid of money near the end of the campaign, he did not realize these were improper and they were not used in exchange for political support.

I identified the expenditures to restaurants; Respondent said the expenditures to restaurants were for "meet and greet" activities; I continued my review of each expenditure at issue and indicated how each was inadequately identified as advertising or campaign expense, etc., in his CTRs and did not provide a clear purpose. Respondent said expenditures to USPS and

Office Depot were for postage and postcards, respectively; Respondent noted he used a lot of campaign postcards. Respondent did not recall the expenditure to Jotform or why it was made.

I explained to Respondent that the tuition, books, and fees to FGCU for a graduate certificate program (Local Government Management Certificate) were also being investigated as allegedly used to defray normal living expenses rather than to influence the results of his election. He said he used campaign funds for the graduate certificate program to make him a better candidate and a better commissioner, if elected. Since I was unable to locate campaign expenditures (cash withdrawals, checks, debit card, electronic (ACH/EFT)) for the expenditures reported to FGCU in the bank records, I asked if he was certain he used campaign checks (as expenditure checks were not in bank records; he confirmed and noted he used much of his own money for expenditures (but none appear to be reported as in-kind contributions).

Also, I noted his amended 2020 G1 CTR disclosed a \$15,000 loan to his campaign that was not found in his August 2020 monthly bank statement but later a \$10,000 contribution/loan was found in the bank records for September 16, 2020; Respondent said he did not recall when it was made, had no explanation for the difference in amount and he got money from his personal account at one bank and it was deposited in the campaign account at SunTrust n/k/a Truist. Since Respondent does not closely monitor the email accounts he identified earlier, Respondent provided an email address for him that is monitored, geefmy@comcast.net. He asked when I need the additional information and I requested he provide same ASAP—scan and email to me—as my ROI should be completed by the end of the month. Respondent agreed to continue to check his desk, etc., for the information I’ve noted and provide same.

Helen,

I scanned most of the documents you requested along with photos of events, thank you letter and a brochure for a Calusa Water Keeper event I attended. The final scan is of a tally of \$33,200 dollars I loaned my campaign who's total expenses were \$49,000 accounting for 68% of my entire campaign. Carol, who was my volunteer Treasurer, relied heavily on Tammy Lippa and Cheryl Futch for advice in submitting my expenses. Carol is now 89 and her record keeping skills are limited, due to complications from her stroke.

Let me know if you need me to re-scan them as I used my I-phone to send the scans.

Dear Todd:

Because of you, there are fewer hungry people in Southwest Florida. Thank you for making an investment in our fight to end hunger. We are proud to include your partnership in our efforts to feed the roughly 154,740 Southwest Floridians who are hungry.

Because of you, we feed approximately 28,000 people each week in the five counties that make up Southwest Florida. Your partnership ensures that every person in our community has a place to turn when they might otherwise go hungry.

Because of your recent gift of \$250.00 we are making a difference in the lives of our neighbors. Together, we are leading our community in the fight to end hunger.

Thank you once again for supporting our vision that no one has to go hungry. We could not succeed without you.

With sincere appreciation,

Richard LeBer

Dear Todd:

Because of you, there are fewer hungry people in Southwest Florida. Thank you for making an investment in our fight to end hunger. We are proud to include your partnership in our efforts to feed the roughly 154,740 Southwest Floridians who are hungry.

Because of you, we feed approximately 28,000 people each week in the five counties that make up Southwest Florida. Your partnership ensures that every person in our community has a place to turn when they might otherwise go hungry.

Because of your recent gift of \$250.00 we are making a difference in the lives of our neighbors. Together, we are leading our community in the fight to end hunger.

Thank you once again for supporting our vision that no one has to go hungry. We could not succeed without you.

Entered by: HH
2. **Date and time:** Thursday, May 5, 2022; 4:20 p.m.
Name: Truist
Phone #: 252-246-2000, option 3 (SDTs & legal orders, Truist Fulfillment Services)

Entered by: HH
3. **Date and time:** Tuesday, August 16, 2022; 3:45 p.m.

Entered by: HH
4. **Date and time:** Friday, August 19, 2022; 5:41 p.m.; 42:22
Name: Todd James Truax
Phone #: 239-994-6872
Summary: I called Respondent, identified myself, explained that I've called and sent emails to him before regarding this case. Respondent asked which email address(es) I used to reach him; I noted I used both email addresses he provided during his campaign including the email address he identified on the DS-DE 9, and the email address he used to respond to notice of the complaint. He said he doesn't use the campaign email with his home address, doverstone26478@gmail.com, nor does he regularly check the email address todd@toddtruax.com. He noted he currently has about 300 emails he needs to check. Respondent said he works as a nursing home administrator and stays 2.5 hrs. away from home & drives home on weekends to his family & to do laundry. I explained that we had a

Commission meeting earlier this week, on Tuesday, August 16, 2022; he may review the Commission meetings online on the Florida Channel as the public session(s) are recorded; earlier Commission meetings are available in the Florida Channel archive for viewing; he will see the Commissioners discussing cases before them in informal hearings and making decisions in cases, imposing fines/civil penalties, etc., so he may better understand how the Commission conducts the hearing of a case. I noted the confidential hearings for NPC/PC determinations are not available for review on the Florida Channel.

Respondent asked if we received his earlier response; I confirmed we did, however, he didn't adequately address all the specific issues I am investigating as identified in Mr. Vaccaro's LS letter dated December 16, 2021. I reviewed same with him. Respondent asked if it helps his cause since he self-funded about 80% of his campaign, about \$50,000; I said I am unable to advise him as I am not an attorney; however, he should provide any information he deems relevant to the current issues I'm investigating. Respondent said Complainant filed the complaint after his opponent for whom Complainant was campaign manager had defeated him and he feels he's been kicked after he's knocked down. I noted most complaints are politically motivated but must allege violations that are reviewed by staff and determined to be LS by Mr. Vaccaro before a case is investigated; Respondent confirmed he has mailings from this office (he also confirmed receipt of notice of complaint from Molly Donovan) and I referred him to our E.D.'s LS ltr dated December 16, 2021, which identifies the sections of law I am investigating and I am identified as the investigator. Respondent said his campaign treasurer (Carol Hedman is in her late 80s) had a stroke and perhaps her husband can access her computer to obtain additional information he needs to respond. Respondent said he ran for Congress in 2018, Ms. Hedman was his treasurer for that election campaign, there were no issues with his CTRs at that time, and he saw no reason to not accept her services as treasurer during his 2020 election campaign.

I reviewed the charities/non-profits at issue with Respondent and requested copies of flyers, photographs of his participation in events, thank-you notes from the charities, etc., to identify the charity and/or verify his participation; Respondent said all that information about the charities, related events and his participation were posted on his campaign Facebook, Twitter, etc., accounts. He said he just found the Calusa Waterkeepers (environmental group) flier on his desk as he was talking to me, he explained it was a community cleanup event for the Calusa River in which he participated and he will look for additional information as he kept all receipts, etc.; I agreed to forward my most recent email indicating the specific charities/non-profits, vendors, restaurants, etc., that are identified in his CTRs that are at issue in my investigation which I did while on the phone. Respondent said the expenditure to MADD TX was an entry fee for a 5K run where he participated and wore a campaign t-shirt; Nations Association Charities to support mentoring and educational programs—charity in SW Florida. I suggested the donations to the food bank and Church should have been made in the 90-day reporting period after the election identified as the TR; he said he was trying to get rid of money near the end of the campaign, he did not realize these were improper and they were not used in exchange for political support.

I identified the expenditures to restaurants; Respondent said the expenditures to restaurants were for "meet and greet" activities; I continued my review of each expenditure at issue and indicated how each was inadequately identified as advertising or campaign expense, etc., in his CTRs and did not provide a clear purpose. Respondent said expenditures to USPS and

Office Depot were for postage and postcards, respectively; Respondent noted he used a lot of campaign postcards. Respondent did not recall the expenditure to Jotform or why it was made.

I explained to Respondent that the tuition, books, and fees to FGCU for a graduate certificate program (Local Government Management Certificate) were also being investigated as allegedly used to defray normal living expenses rather than to influence the results of his election. He said he used campaign funds for the graduate certificate program to make him a better candidate and a better commissioner, if elected. Since I was unable to locate campaign expenditures (cash withdrawals, checks, debit card, electronic (ACH/EFT)) for the expenditures reported to FGCU in the bank records, I asked if he was certain he used campaign checks (as expenditure checks were not in bank records; he confirmed and noted he used much of his own money for expenditures (but none appear to be reported as in-kind contributions).

Also, I noted his amended 2020 G1 CTR disclosed a \$15,000 loan to his campaign that was not found in his August 2020 monthly bank statement but later a \$10,000 contribution/loan was found in the bank records for September 16, 2020; Respondent said he did not recall when it was made, had no explanation for the difference in amount and he got money from his personal account at one bank and it was deposited in the campaign account at SunTrust n/k/a Truist. Since Respondent does not closely monitor the email accounts he identified earlier, Respondent provided an email address for him that is monitored, geefmy@comcast.net. He asked when I need the additional information and I requested he provide same ASAP—scan and email to me—as my ROI should be completed by the end of the month. Respondent agreed to continue to check his desk, etc., for the information I’ve noted and provide same.

Dear Todd:

Because of you, there are fewer hungry people in Southwest Florida. Thank you for making an investment in our fight to end hunger. We are proud to include your partnership in our efforts to feed the roughly 154,740 Southwest Floridians who are hungry.

Because of you, we feed approximately 28,000 people each week in the five counties that make up Southwest Florida. Your partnership ensures that every person in our community has a place to turn when they might otherwise go hungry.

Because of your recent gift of \$250.00 we are making a difference in the lives of our neighbors. Together, we are leading our community in the fight to end hunger.

Thank you once again for supporting our vision that no one has to go hungry. We could not succeed without you.

With sincere appreciation,

Richard LeBer

Helen,

I scanned most of the documents you requested along with photos of events, thank you letter and a brochure for a Calusa Water Keeper event I attended. The final scan is of a tally of \$33,200 dollars I loaned my campaign who's total expenses were \$49,000 accounting for 68% of my entire campaign. Carol, who was my volunteer Treasurer, relied heavily on Tammy Lipa and Cheryl Futch for advice in submitting my expenses. Carol is now 89 and her record keeping skills are limited, due to complications from her stroke.

Let me know if you need me to re-scan them as I used my I-phone to send the scans.

Thanks,

RE: Case No.: FEC 21-051

Confidential pursuant to s. 106.25(7), F.S.

Dear Ms. Hedman:

The Florida Elections Commission conducts confidential investigations of alleged violations of Chapters 104, and 106, Florida Statutes. Pursuant to Florida's election laws, all campaign contributions and expenditures must be accurately reported and campaign expenditures are made to influence the results of a candidate's election.

I am reviewing the 2020 campaign records of **Todd James Truax** including the reporting periods as follows: **2019 M8, M9, M10, M11 and M12 and 2020 M1, M2, M4, P1, P4, G1, G2 and G7 reports**. Although he accepted appointment as campaign treasurer, Mr. Truax has declared you acted as his treasurer, submitted all receipts, and reports on his behalf and you amended the reports on his behalf.

Pursuant to section 106.06, Florida Statutes, the campaign treasurer of each candidate and the campaign treasurer of each political committee shall keep detailed accounts, current within not more than 2 days after the date of receiving a contribution or making an expenditure, of all contributions received and all expenditures made by or on behalf of the candidate. The campaign treasurer shall also keep detailed accounts of all deposits made and of all withdrawals made therefrom to the primary depository.

Section 106.06(2), Florida Statutes, declares "Accounts, including separate interest-bearing accounts and certificates of deposit, kept by the campaign treasurer of a candidate or political committee may be inspected under reasonable circumstances before, during, or after the election to which the accounts refer by any authorized representative of the Division of Elections or the Florida Elections Commission. The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction...."

As a member of the investigative staff of the Florida Elections Commission, I am authorized to inspect Mr. Truax's campaign records and I have identified questionable contributions and campaign expenditures made by candidate Truax for which I am requesting additional information. Therefore, please provide the requested records as follows:

1. Copies of records and backup documentation to identify a clear, campaign-related purpose including, but not limited to, photographs related to the events and candidate Truax's participation, all payment instruments, cancelled checks (front & back), credit card billing statements, records of debit card transactions, receipts, invoices, advertisements, acknowledgments and/or thank-you notes, etc., for tickets, admission to events, and all correspondence, including all written communication whether in paper or electronic form including, but not limited to, notes of phone conversations, correspondence by fax, letter, email, memoranda, notes to and/or from the **six** religious, civic, and/or charitable groups at issue related to campaign expenditures to: **Calusa Waterkeepers; MADD; Nations Assn. Charities; Rights of Nature CA; Harry Chapin Food Bank; and Friendship Baptist Church.**

1. 1. Copies of records and backup documentation for the alleged **\$15,000** campaign contribution(s)/loan(s) made by candidate Truax including, but not limited to, copies of payment instruments, cancelled checks (front and back), credit card billing statements, records of debit card transactions, etc., that was reported on his amended **2020 G1 report**.

01/07/20, Parchment Docs for Transcripts, in the amount of \$3.50; and

RE: Case No.: FEC 21-051

Dear, Ms. Donovan,

Please accept this response to your notice I received Saturday, February 6, 2021. Your letter indicates a complaint filed by my opponent's campaign manager alleging violations of Florida election laws. The complainant suggests I acted as my own campaign treasurer. In fact, Carol Hedman acted as my treasurer and submitted all receipts, and reports on my behalf. She amended reports working closely with the local supervisor of elections who guided her on the classification of expenses.

The allegations of use of funds to defray normal living expenses is laughable, in light of the fact, that 80% of my campaign was self-funded. The expenses of tuition, books and transcripts are attributed to my courses at FGCU in local government management, budgeting, human resources and planning. These courses aided in my ability to prepare for the office I sought and debate local issues with proven solutions.

Charitable contributions were made to Mothers Against Drunk Driving which is headquartered in TX, but has local branches for events. The fee for participating in their annual 5K race where I wore my campaign T-Shirt was classified as an advertising expense. The other donations were made to local charitable organizations supporting events, meetings, and breakfast and luncheon gatherings with local leaders. Donations to The Food Bank and Baptist Church were made in disposition of funds at the end of the campaign.

At no time were campaign funds used for personal expenses. Donations to charitable organizations were not in exchange for endorsement or support. Any entries in my campaign treasurer's report which were incorrect were amended upon notice from the local office.

All the best,

Complaint Against Todd James Truax, Candidate for Lee County Commission, District 3 - Attachment

I personally examined the expenditures made from the campaign account of Todd Truax, Candidate for Lee County Commission, District 3. Based upon my examination and such personal knowledge gained from my examination, I believe Mr. Truax has violated several sections of Chapter 106, Florida Statutes.

1. I believe Mr. Truax is utilizing his campaign funds to defray normal living expenses, in violation of Section 106.1405, which states:

106.1405 Use of campaign funds.—A candidate or the spouse of a candidate may not use funds on deposit in a campaign account of such candidate to defray normal living expenses for the candidate or the candidate's family, other than expenses actually incurred for transportation, meals, and lodging by the candidate or a family member during travel in the course of the campaign.

My review of the reported expenditures reveals the following entries.

1/3/20 FGCU Bookstore – Education - \$169.60

1/4/20 FGCU – Tuition - \$2250.28

1/7/20 FGCU Tuition - \$1120.14

1/7/20 FGCU – University Fees - \$30.00

1/7/20 – Parchment Docs – Transcripts - \$3.50

8/20/20 – Publix- Education - \$2.67

Campaign funds cannot be used to pay for items that do not influence the results of Mr. Truax's election, and benefit him personally by defraying the cost of normal living expenditures.

2. Campaign funds may not be contributed to charitable organizations, except in disposition of funds. On at least four occasions, Mr. Truax issued expenditure checks to entities that appear to be charitable entities, in violation of Section 106.08, Florida Statutes, which provides:

106.08 Contributions; limitations on.—

(5)(a) A person may not make any contribution through or in the name of another, directly or indirectly, in any election.

(b) Candidates, political committees, affiliated party committees, and political parties may not solicit contributions from any religious, charitable, civic, or other causes or organizations established primarily for the public good.

(c) Candidates, political committees, affiliated party committees, and political parties may not make contributions, in exchange for political support, to any religious, charitable, civic, or other cause or organization established primarily for the public good. It is not a violation of this paragraph for:

1. A candidate, political committee, affiliated party committee, or political party executive committee to make gifts of money in lieu of flowers in memory of a deceased person;

2. A candidate to continue membership in, or make regular donations from personal or business funds to, religious, political party, affiliated party committee, civic, or charitable groups of which the candidate is a member or to which the candidate has been a regular donor for more than 6 months; or

3. A candidate to purchase, with campaign funds, tickets, admission to events, or advertisements from religious, civic, political party, affiliated party committee, or charitable groups.

The expenditures in question are listed below, together with the purpose Mr. Truax included on his treasurer report.

8/5/19 – Calusa Waterkeepers – community service - \$15.00

9/14/1 – MADD TX – (Mothers Against Drunk Driving, Texas) – Advertising - \$80.00

10/25/2019 – Nations Assn. Charities – Campaign Expense – Charity \$50.00

12/1/2019 - Rights of Nature CA – Campaign Expense - \$23.50

10/23/20 – Harry Chapin Food Bank – Contribution - \$250.00

10/25/20 - Friendship Baptist Church – Contribution - \$100.00

Community service, Campaign Expense – Charity and Campaign Expense do not express any purpose for which Mr. Truax’s campaign would benefit by influencing the results of his election. Mr. Truax listed “Advertising” as the purpose for MADD TX, but I question how advertising in Texas influences the results of a Lee County, Florida election. Mr. Truax lists a Canadian address for Rights of Nature CA. I question how making a “campaign expense” to a Canadian entity influences the results of a Lee County, Florida election. Also, his contribution to the Harry Chapin Food Bank and Friendship Baptist Church would serve no

purpose in influencing the outcome of his election, unless these organizations are violating their 501c3 status by advocating for a political candidate.

3. Mr. Truax fails on multiple occasions to accurately report the purpose of expenditures made by his campaign, in violation of Section 106.07, Florida Statutes, which states in part:

106.07 Reports; certification and filing.—

(4)(a) Except for daily reports, to which only the contributions provisions below apply, and except as provided in paragraph (b), each report required by this section must contain:

6. The full name and address of each person to whom expenditures have been made by or on behalf of the committee or candidate within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. However, expenditures made from the petty cash fund provided by s. 106.12 need not be reported individually.

On multiple occasions, Mr. Truax reports expenses paid to restaurants as “Advertising.” He also lists an expense paid to the United States Postal Services as “promotional items.” “Campaign Expense,” “electronic document,” and “Coalition” are also purposes reported by Mr. Truax, which fail to accurately report the nature of the expenditures made. There are other such examples contained within his reports.

11/11/19 – Perkins – Advertising - \$15/63

1/28/20 – Cuban Bakery - Advertising - \$16.87

1/15/20 – The Mix Italian Grill – Advertising - \$13.08

2/11/20 - Bonita Brunch – Advertising - \$17.50

4/25/20 – Mugs and Jugs – Advertising - \$6.38

6/12/20 – Cracker Barrel – Advertising – lunch - \$40.25

7/13/20 – Hudson’s Grocery – Advertising - \$8.47

8/5/19 – USPS – promotional items - \$112.50

12/17/19 – Metro Diner - Campaign Expense - \$37.00

2/24/20 – Office Depot – Campaign Expense - \$103.35

4/13/20 – Jotform – Electronic document - \$39.00

9/4/20 – Ragged Ass Saloon – Coalition - \$24.46

4. This expenditure appears to have been entered twice.

5/15/20 – Costco - \$14.25 (duplicate entry, 105 and 106)

5. A running balance of Mr. Truax's campaign account shows that with the filing of the G1 report, his bank balance could have been no more than \$496.32. The G2 report lists expenditures totaling \$4,891.40. On October 8, 2020, Mr. Truax amended his G1 report to reflect a loan to himself of \$15,000, August 18, 2020. If Mr. Truax truly loaned \$15,000 to his campaign on August 18, why was it not reported until October 8, 2020? This is especially interesting when you consider that Mr. Truax was his own campaign treasurer so there is no reason why he would not have known about the loan in order to report it timely. I believe Mr. Truax may have obligated or expended campaign funds not on deposit in violation of Section 106.11 (4), Florida Statutes, which states:

106.11 Expenses of and expenditures by candidates and political committees.

(4) No candidate, campaign manager, treasurer, deputy treasurer, or political committee or any officer or agent thereof, or any person acting on behalf of any of the foregoing, shall authorize any expenses, nor shall any campaign treasurer or deputy treasurer sign a check drawn on the primary campaign account for any purpose, unless there are sufficient funds on deposit in the primary depository account of the candidate or political committee to pay the full amount of the authorized expense, to honor all other checks drawn on such account, which checks are outstanding, and to meet all expenses previously authorized but not yet paid.

6. Each time Mr. Truax filed his treasurer report, he certified to the correctness of the report. Such certification is provided for in Section 106.07, Florida Statutes, which states in part:

106.07 Reports; certification and filing.—

(5) The candidate and his or her campaign treasurer, in the case of a candidate, or the political committee chair and campaign treasurer of the committee, in the case of a political committee, shall certify as to the correctness of each report; and each person so certifying shall bear the responsibility for the accuracy and veracity of each

report. Any campaign treasurer, candidate, or political committee chair who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

This section also provides a penalty for knowingly certifying a false report. Section 106.19, Florida Statutes, also provides penalties for such violations. Section 106.19, Florida Statutes, states:

106.19 Violations by candidates, persons connected with campaigns, and political committees.—

(1) Any candidate; campaign manager, campaign treasurer, or deputy treasurer of any candidate; committee chair, vice chair, campaign treasurer, deputy treasurer, or other officer of any political committee; agent or person acting on behalf of any candidate or political committee; or other person who knowingly and willfully:

(a) Accepts a contribution in excess of the limits prescribed by s. 106.08;

(b) Fails to report any contribution required to be reported by this chapter;

(c) Falsely reports or deliberately fails to include any information required by this chapter; or

(d) Makes or authorizes any expenditure in violation of s. 106.11(4) or any other expenditure prohibited by this chapter;

is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(2) Any candidate, campaign treasurer, or deputy treasurer; any chair, vice chair, or other officer of any political committee; any agent or person acting on behalf of any candidate or political committee; or any other person who violates paragraph (1)(a), paragraph (1)(b), or paragraph (1)(d) shall be subject to a civil penalty equal to three times the amount involved in the illegal act. Such penalty may be in addition to the penalties provided by subsection (1) and shall be paid into the General Revenue Fund of this state.

(3) A political committee sponsoring a constitutional amendment proposed by initiative which submits a petition form gathered by a paid petition circulator which does not provide the name and address of the paid petition circulator on the form is subject to the civil penalties prescribed in s. 106.265.

(4) Except as otherwise expressly stated, the failure by a candidate to comply with the requirements of this chapter has no effect upon whether the candidate has qualified for the office the candidate is seeking.

Mr. Truax is both the candidate and the treasurer for his Lee County Commission campaign. As such, he must certainly be aware of the information that has been reporting to the Lee County Supervisor of Elections.
