Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

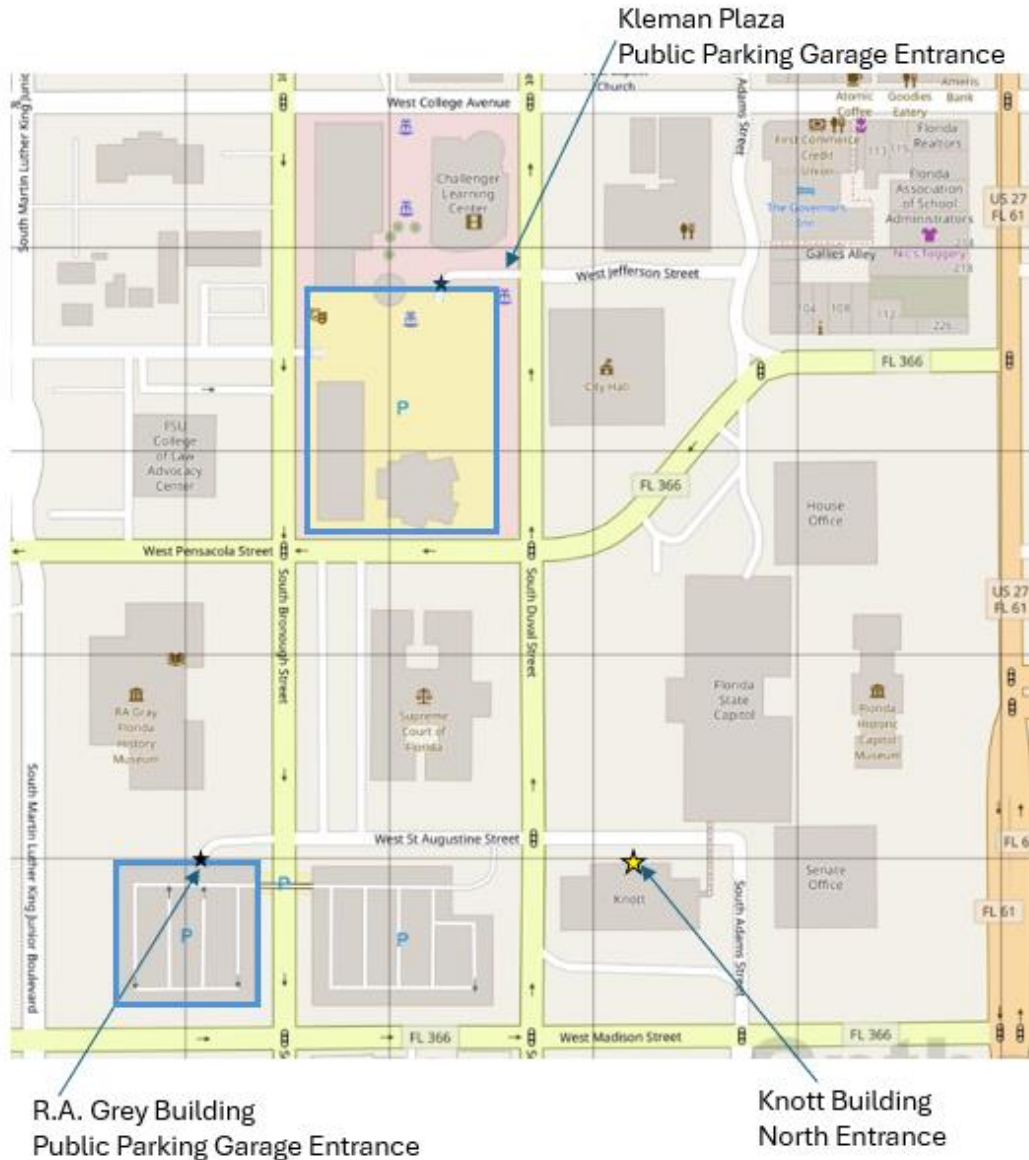

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

ORDER OF PROBABLE CAUSE

THIS MATTER was heard by the Florida Elections Commission (“Commission”) at its regularly scheduled meeting on February 7, 2024, in Tallahassee, Florida.

On December 21, 2023, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff’s Recommendation are adopted by reference and incorporated herein. Count 2:

On June 23, 2020, Demetrius Jackson violated Section 106.19(1)(c), Florida Statutes, when he deliberately failed to include required information on the campaign’s 2020 Termination Report.

On June 23, 2020, Demetrius Jackson violated Section 106.19(1)(c), Florida Statutes, when he falsely reported information on the campaign's 2020 Termination Report.

In Re: Demetrius Jackson

Case No.: FEC 21-347

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5) and 106.19(1)(c), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.141(1), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on May 22, 2023, the following facts and law support this staff recommendation:

1. On May 25, 2021, the Florida Elections Commission (“Commission”) received a referral from the Florida Division of Elections (“Complainant” or “Division”) alleging that Demetrius Jackson (“Respondent”) violated Chapter 106, Florida Statutes.
2. Respondent was a 2020 candidate for State Representative, District 109. (ROI Exhibit 3, page 1)¹ Respondent withdrew his candidacy. (ROI Exhibit 1, page 1)
3. Respondent’s Statement of Candidate form (“DS-DE 84”) and Appointment of Campaign Treasurer and Designation of Campaign Depository form (“DS-DE 9”) were filed on March 14, 2019. (ROI Exhibits 2 & 3) Respondent appointed Stoni Drane to serve as treasurer and himself to serve as deputy treasurer for the campaign. (ROI Exhibit 2, pages 1-2)
4. By letter dated June 29, 2021, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(5), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 29, may have certified one or more campaign treasurer reports were true, correct, and complete when they were not, based upon a surplus balance after the 2020 TR was filed, as alleged in the complaint.²

Section 106.141(1), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 29, filed a 2020 Termination Report that may have failed to accurately reflect the disposition of all remaining campaign funds, based upon a surplus balance after the 2020 TR was filed, as alleged in the complaint.

¹ The Report of Investigation is referred to herein as “ROI.”

² The letter of legal sufficiency specified District 29 due to a scrivener’s error.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 29, may have falsely reported or deliberately failed to include information in one or more campaign treasurer reports, as required by Chapter 106, Florida Statutes, based upon a surplus balance after the 2020 TR was filed, as alleged in the complaint.

5. By letter dated March 18, 2019, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2020 active candidate list. (ROI Exhibit 4, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”), and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 4, page 1) The letter further advised Respondent that all the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 4, page 2)

Alleged Violation: Section 106.07(5), Florida Statutes

7. Complainant alleged that Respondent violated Florida’s election laws by certifying that the campaign’s 2020 Termination Report was true, correct, and complete when it was not.

8. Under Section 106.07, Florida Statutes, a campaign treasurer’s report is required to contain all contributions received and all expenditures made during the reporting period. The report must list the full name and address of each expenditure recipient as well as the amount, date, and purpose of each expenditure.

9. Respondent filed his 2020 Termination Report on June 23, 2020, the designated due date. (ROI Exhibit 5, page 1; ROI Exhibit 7, page 6) Respondent reported no contributions and seven expenditures totaling \$7,760.87. (ROI Exhibit 7, pages 2-3)

10. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e., March 1, 2020, through June 23, 2020. (ROI Exhibit 7, page 1)

11. Bank records show that Respondent omitted 43 expenditures totaling \$3,843.50. All financial activity that Respondent disclosed was unverified. (ROI Exhibit 6, pages 2, 6 & 10)

12. Respondent stated that this was his first time running for office. Respondent was a full-time college student in a Master’s program. Respondent’s fiancé, who was his appointed treasurer, became busy as she was concluding her undergraduate degree. Respondent temporarily relocated to Boston in mid-September after several of his family members became ill with and subsequently died from Covid. Respondent had not seen any letters from the Division or the Commission. Respondent stated that someone was collecting his mail but not forwarding it.

Respondent received and read the *Candidate and Campaign Treasurer Handbook*, went through Chapter 106, Florida Statutes, and studied the parts of the statute that were relevant to his campaign. (ROI Exhibit 8, pages 1-3)

13. As of December 13, 2023, Respondent has not corrected the 2020 Termination Report. (Attachment A, pages 1-4)

14. Respondent certified that the campaign's 2020 Termination Report was true, correct, and complete when it was not.

Alleged Violation: Section 106.141(1), Florida Statutes

15. Complainant alleged that Respondent violated Florida's election laws by failing to dispose of all remaining campaign funds by the end of the termination reporting period.

16. Respondent withdrew his candidacy before the primary election. (ROI Exhibit 1, page 1) Respondent was therefore required to dispose of the funds on deposit in his campaign account and file the campaign's 2020 Termination Report within 90 days after withdrawing.

17. Respondent filed his 2020 Termination Report on June 23, 2020, the designated due date. (ROI Exhibit 5, page 1; ROI Exhibit 7, page 6) At the close of the reporting period, Respondent's account reflected a zero balance. (ROI Exhibit 6, page 10)

18. It does not appear that Respondent failed to dispose of the campaign's remaining funds within 90 days after withdrawing his candidacy.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

19. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

20. Respondent's bank records show that 43 expenditures totaling \$3,843.50 were omitted. (ROI Exhibit 6, pages 2, 6 & 10) Had Respondent reported this activity, it would have shown that all expenditures, except two, were prohibited since the funds were not disposed of properly pursuant to sections 106.141(4)(a), 106.11(5), and 106.12(3), Florida Statutes.

21. Respondent made four bank withdrawals totaling \$2,583.56, two of which were ATM cash withdrawals totaling \$120.00 and \$103.00. (ROI Exhibit 6, pages 2 & 10) Respondent did not make any prior loans to the campaign. (Attachment A, pages 1-2) Approximately 21 expenditures totaling \$420.47 were made to various restaurants and fast food chains, such as McDonald's, KFC, and Burger King. (ROI Exhibit 6, pages 2, 6 & 10) Nine expenditures totaling \$173.06 were made to gas stations, such as Chevron and Marathon. Finally, six expenditures totaling \$377.57 were made to grocery stores or retail stores, such as Winn-Dixie and Target. (ROI Exhibit 6, pages 2 & 6)

22. Respondent falsely reported and deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

23. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

24. The facts set forth above show that Respondent was a candidate for State Representative, District 109, in the 2020 election. Respondent certified that the campaign's 2020 Termination Report was true, correct, and complete when it was not. Respondent falsely reported and deliberately failed to include required information in the campaign's 2020 Termination Report. It does not appear that Respondent failed to dispose of the campaign's remaining funds within 90 days after withdrawing his candidacy.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Section 106.141(1), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

Count 1:

On June 23, 2020, Demetrius Jackson violated Section 106.07(5), Florida Statutes, when he certified that the campaign's 2020 Termination Report was true, correct, and complete when it was not.

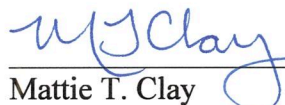

Count 2:

On June 23, 2020, Demetrius Jackson violated Section 106.19(1)(c), Florida Statutes, when he deliberately failed to include required information on the campaign's 2020 Termination Report.

Count 3:

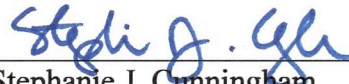

On June 23, 2020, Demetrius Jackson violated Section 106.19(1)(c), Florida Statutes, when he falsely reported information on the campaign's 2020 Termination Report.

Respectfully submitted on December 21, 2023.

FLORIDA ELECTIONS COMMISSION

Report of Investigation for Apparent Surplus in Campaign Account

Case Number: FEC 21-347

Section 106.141(1), Florida Statutes, failure of a candidate to dispose of funds remaining in the campaign account within 90 days after the candidate withdrew, became unopposed, was eliminated, or elected and to file a termination report (TR) reflecting the disposition of all remaining funds.

Sections 106.07(5) and 106.19(1)(c), Florida Statutes, a candidate certified campaign treasurer report(s) as true, correct, and complete when they were not and falsely reported or deliberately failed to include all information required by Chapter 106, F.S., in campaign treasurer report(s).

Respondent: Demetrius Jackson

Respondent's Atty: N/A

Division of Elections (Division)

Referral Filed: May 25, 2021

Respondent Type: Candidate

Additional Section(s): None

I. Preliminary Information:

1. Respondent was a 2020 candidate for State Representative, District 109;¹ he withdrew his candidacy on March 25, 2020. Respondent was a first-time candidate. To review Respondent's withdrawal letter, refer to Exhibit 1.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on March 14, 2019. Stoni Drane was appointed as campaign treasurer. Another DS-DE 9 was filed on the same date appointing Respondent as deputy campaign treasurer. To review the DS-DE 9s, refer to Exhibit 2.

3. Respondent filed a Statement of Candidate with the Division on March 14, 2019, in which Respondent certified he had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 3.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 9 on March 18, 2019. The letter advised Respondent that all candidates filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook* and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 4.

THIS SPACE INTENTIONALLY LEFT BLANK

¹ The letter of legal sufficiency specified District 29 due to scrivener's error.

II. Alleged Violation of Section 106.141(1), Florida Statutes:

6. I investigated whether Respondent violated this section of the election laws by not disposing of all remaining campaign funds within 90 days of withdrawing. To review Respondent’s filing history, refer to Exhibit 5.

7. On the date the 2020 TR was due, campaign account records reflect that the account balance was \$0.00.² The campaign account was zeroed out on May 4, 2020, and it was closed on May 5, 2020. To review the relevant bank statement, refer to Exhibit 6, pages 9-10.

III. Alleged Violation of Sections 106.07(5), 106.141(1), and 106.19(1)(c), Florida Statutes:

8. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, falsely reporting or deliberately failing to include information in one or campaign treasurer report(s), and failing to accurately reflect disposition of all remaining campaign funds in a termination report due to an apparent surplus balance after the 2020 TR was filed.

9. I reviewed bank records from the designated campaign depository and compared them with the campaign treasurer report covering the following reporting period: 2020 TR.³ The results of my review are reflected in the table below. To review Respondent’s filing history, refer to Exhibit 5. To review the bank records, refer to Exhibit 6. To review the campaign treasurer report, refer to Exhibit 7.

10. Respondent did not respond to the referral.

11. I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. Respondent explained that he was in Boston, where he had been staying since mid-September 2020 due to COVID-19-related deaths in the family. Respondent stated that his long stay in Boston is the reason nothing has been updated. He stated that if he had been in Miami he would have taken care of it. When asked if he or his treasurer submitted a majority of campaign treasurer’s reports, Respondent explained that he submitted reports online and that Ms. Drane became very busy wrapping up her undergraduate degree. Respondent stated that he was in receipt of and had studied parts of Chapter 106, Florida Statutes, and had read the *Candidate and Campaign Treasurer Handbook*. To review the phone log, refer to Exhibit 8.

SIGNATURE OF INVESTIGATOR:  **Date:** May 22, 2023

⁴ The purposes of the last six expenditures in this table were described as “return to contributor.” They all reportedly occurred in early June 2020, which was approximately one month after the campaign account had been zeroed out and closed. I sent Respondent requests for documentation regarding the reported contribution refunds, but he has not provided them.

IMPORTANT ACCOUNT INFORMATION

Effective June 20, 2020, we are updating the Funds Availability Policy in our Deposit Account Agreement as follows:

In the "Longer delays may apply" section, when a longer delay applies, we are making the following changes:

- The amount of your deposit that may be available on the first business day after the day of your deposit is increasing from \$200 to \$225.
- We are changing the check deposit amount exception that may lead to a delay of generally no more than seven business days from "You deposit checks totaling more than \$5,000 on any one day" to "You deposit checks totaling more than \$5,525 on any one day."

In the "Special rules for new accounts" section, setting forth special rules that apply during the first 30 days your account is open, we are updating the amounts in the two bullets in the second paragraph from \$5,000 to \$5,525 and from \$200 to \$225 as follows:

- The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit.
- The excess over \$5,525 and funds from all other check deposits will be available on the seventh business day after the day of your deposit. The first \$225 of a day's total deposit of funds from all other check deposits, however, may be available on the first business day after the day of your deposit.

To provide you with additional flexibility to access accounts, we have increased the daily ATM withdrawal limit on your Wells Fargo Debit, ATM, or EasyPay Card(s) to \$710. Any card that already has a daily ATM withdrawal limit of \$710 or more remains the same. To view your card limits any time, sign on at wellsfargo.com/cardcontrol and click on Open Card Details.

This statement includes an account that has been closed and this is your final statement for that account. You will have 90 days to retrieve historical online documents for this account. Please refer to the Fee & Information Schedule for options to obtain statement copies after 90 days.

If the account that has been closed is the primary account on the statement that includes multiple accounts (a "combined statement"), this is also the final combined statement and you will also have 90 days to retrieve historical online documents for all accounts associated with this combined statement. Going forward, you will receive separate statements for any accounts that remain open.

Thank you for banking with Wells Fargo.

Respondent will be returning to Miami in a week or two; I advised that he contact me once he returns and to let me know the status of the 2020 TR. To review phone interview, please see memo below:

RESPONDENT INTERVIEW MEMO – Call details at [305-833-4498]

- Have you ever run for public office? If so, please name each office you ran for and each relevant state/election year:
 - No, this was the first time Respondent ran for office.
- Have you ever been appointed to act as a campaign treasurer for a candidate? If so, please name each candidate, the office each ran for, and state which year each election occurred.
 - Although he did not act in an official capacity, Respondent stated that he helped a former teacher campaign for a North Miami city office. Respondent stated that he, “helped her crunch numbers” in order to “get my feet wet.”
- Have you ever held the office of chairperson, treasurer, or other similar position for a political committee or electioneering communications organization?
 - No
- Have you ever prepared or signed a campaign treasurer’s report?
 - No
- What action have you taken to determine your responsibilities under Florida’s election laws?
 - Respondent stated that he reached out to a few officials for guidance/assistance, including State Senator, Jason Pizzo. Respondent stated that he was a full-time college student in a Master’s program at the time he campaigned/filed qualifying documents, so he did a lot of research online.
- Do you possess a copy of Chapter 106, Florida Statutes? Have you read it?
 - Yes, Respondent received it (though he’s unsure about date he received it). He went through it, though not “word-for-word,” and explained that he studied parts that were relevant to his campaign.
- Do you possess a copy of the *Candidate and Campaign Treasurer Handbook*? If so, when did you first obtain it and have you read it?
 - Yes, he received it and yes, Respondent has read it (unsure on date).
- Did you receive any other materials from your filing officer? If so, please describe them.
 - Respondent didn’t recall receiving any other materials. He explained that he qualified via petition to get on the ballot. As Respondent is currently in Boston, he is unable to check his records for other materials received from the Division.
- Why were you unable to file a corrected 2020 TR?
 - Respondent stated that his long stay (several months, at least) in Boston is the reason nothing has been updated. He stated that if he was “down there [in Miami], I would’ve taken care of it.” Respondent confirmed that someone has been collecting his mail, but no one has been forwarding it.
- Why did you appoint Stoni Drane as your campaign treasurer?
 - Respondent explained that Ms. Drane is his fiancée and he wanted a campaign treasurer that he trusted. Respondent acted as his own deputy treasurer.
- Did you or Ms. Drane complete (and submit) the majority of campaign reports?
 - Respondent submitted reports online. He explained that Ms. Drane ultimately became very busy, as she was wrapping-up her undergraduate degree and then COVID-19 pandemic spread.
- Besides Ms. Drane and yourself, did anyone else have access to your campaign depository information, including checks, credit- and debit cards?

- No.
- Did your address change during the course of the campaign?
 - Respondent has been staying with family in Boston since mid-September 2020. It appears he has been in Boston since *before* the Division sent Respondent final notices about the 2020 TR.
- How did you make a final dispersal of the outstanding \$200 surplus?
 - Respondent needs to get back to Miami, review campaign reports and campaign depository, in order to provide accurate details. He will be contacting the Division in a couple weeks (once back in Miami) to do this.

RE: Case No.: FEC 21-347; Respondent: Demetrius Jackson

Dear Mr. Jackson:

On May 25, 2021, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(5), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 29, may have certified one or more campaign treasurer reports were true, correct, and complete when they were not, based upon a surplus balance after the 2020 TR was filed, as alleged in the complaint.

Section 106.141(1), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 29, filed a 2020 Termination Report that may have failed to accurately reflect the disposition of all remaining campaign funds, based upon a surplus balance after the 2020 TR was filed, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for State Representative, District 29, may have falsely reported or deliberately failed to include information in one or more campaign treasurer reports, as required by Chapter 106, Florida Statutes, based upon a surplus balance after the 2020 TR was filed, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Demetrius Jackson

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Courtenay Harrold**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Courtney.Harrold@myfloridalegal.com.

Sincerely,

I told him I could not give him the T's PIN as the signature on the CRF was not close enough to the T's signature on the 9 and the candidate gave no reaction. I advised that his PINs as Can/DT were all he needed to be able to file a report until the T's credentials arrived. The ACK letter was mailed out 9 days ago.</p>
